Bronze Medal Presented to Patrick Kondziola

AIA Florida recently awarded the Bronze Medal to FAU graduate Patrick Kondziola. Patrick graduated Cum Laude in the spring semester 2011 with a 3.51 GPA in the top 10% of his class at Florida Atlantic University. Patrick has been very active with AIAS, was chosen to participate in a Germany study abroad program during the summer of 2011 and was one of two students selected by Ken Yeang to intern at his firm this fall.

Congratulations, Patrick!

Assoc. Leader Listserv

The National Associates Committee (NAC) has launched an Associate Leader Listserv. The members of the list are those that hold 'official' leadership positions within the regions, states and components such as Assoc. Directors, or Emerging Professional Committee Chairs, etc. The goal of this list is an open dialogue between Associates, sharing of best practices and an easy way for the NAC to communicate Associate-related issues across the regions.
