n. - : a short witty poem expressing a single thought or observation

AIA Florida Newsletter for emerging architects

vol 2010, issue december

Dear Michele,

Each month, AIA Florida's goal is to provide all of Florida's emerging and young architects with the most up-to-date news about what matters most.

NCARB Rolling Clock - FREE Webinar!

You've studied hard for the Architect Registration Examination (ARE). You've reviewed material ranging from construction documents to site planning to programming, planning, and practice. You've got the subject matter down, but what about the rules? Do you know about the NCARB Rolling Clock? Did you know that it could start affecting you this January?

[Sign up for this free webinar](#) to help answer these and other questions you might have.

AIA Florida Mentors

This month, AIA Florida will compile a state wide team of mentors, so that all interns in Florida have access to a mentor during their IDP activities.

All AIA members in Florida will receive an invitation to volunteer to be a mentor and be placed on our website as a resource for emerging architects.
