

PEACOCK + LEWIS PROJECT ARCHITECT

Peacock + Lewis Architects and Planners is seeking forward-thinking, energetic Architects & Designers to join our established, award-winning architectural and interior design practice in Naples, Florida.

Ideal candidates will exhibit a commitment to excellence in architectural design and craft and should have a minimum of five years of experience working collaboratively with creative teams. A strong background with Revit preferred and the desire to work with high end interior finishes and architectural features. Some hospitality experience would be beneficial. Our projects are centered on country clubs, yacht clubs, health and wellness clubs, and high-end hospitality markets.

As a Project Architect, you will be expected to lead the development of a Conceptual Design package, revising the Design based on client feedback, and then refining the Design through the Design Development phase to a thorough and complete set of Construction Documents. You will assist the General Contractor during the Construction Administration phase to guide the Project to completion on-time and within its budget.

Required Qualifications:

- 5-10 years of relevant work experience
- Professional Registration
- Professional degree in Architecture
- Design and Technical detailing experience
- Advanced Revit and AutoCad skills
- Working knowledge of BIM 360
- Excellent oral, written and graphic communication skills
- Digital graphic skills, including familiarity with software such as Adobe Creative Suite
- Ability to sketch and draw by hand
- Ability to work self-directed and with interdisciplinary teams in a fast-paced environment
- Ability to work with government agencies through preliminary planning and permit process
- Solid understanding of code requirements
- Understanding of vertical and horizontal constructability and construction methods
- Management of multiple project budgets and time constraints
- Ability to produce high quality construction documents
- Ability to lead a team of coworkers and consultants
