ALABAMA

Architectural and/or Engineering Services

End Date: January 08, 2015

REQUEST FOR A/E SERVICES FOR PROJECTS \$250,000.00 AND BELOW

Pursuant to Alabama Act No. 2001-956, Lawson State Community College seeks proposals from qualified professionals licensed in the State of Alabama to provide architectural and/or engineering services under an open-end agreement for various projects for Lawson State Community College including the following campuses:

Bessemer Campus

Birmingham Campus

Project General Description: Projects varying in size and complexity and duration which Lawson State Community College will be executing for the next two years. Individual project cost will not exceed \$250,000.00.

Response: Interested professionals should submit a letter of interest, a completed GSA Standard Form 330, and a State of Alabama Disclosure Statement along with any other relevant information to the following:

Sharon S. Crews

Vice President of Administrative and Student Services

Lawson State Community College

3060 Wilson Road SW

Birmingham, Al. 35221

Phone Contact: 205-929-6307

Email Contact: screws@lawsonstate.edu

Proposals must be received no later than January 8, 2015 at 4:00PM.

Qualifications: Lawson State Community College will select the most qualified design professional as outlined in the Manual of Procedures, 2001 Edition, prepared by the Alabama Building Commission. Applicants must demonstrate successful experience in delivering fully integrated facilities in a functional, economical and effective manner. Applicants must provide documented success in construction cost management, thorough, accurate and timely services and document production.

Architectural and/or Engineering Services

[Go to this bid.](#)

End Date: January 23, 2015

ADVERTISEMENT FOR A/E REQUEST FOR PROPOSALS

Pursuant to Alabama Act No. 2001-956, Chattahoochee Valley Community College seeks qualifications from qualified professionals licensed in the State of Alabama to provide architectural and/or engineering services under an open-end agreement for various projects on the main campus located in Phenix City, Alabama.

Qualifications: Chattahoochee Valley Community College will select the most qualified design professional as outlined in the Manual of Procedures, 2001 Edition, prepared by the Alabama Building Commission. Applicants must demonstrate successful experience in delivering fully integrated facilities in a functional, economical and effective manner. Applicants

must provide documented success in construction cost management, thorough, accurate and timely services and document production.

Recognizing the composition of Alabama's citizenship, Chattahoochee Valley Community College encourages proposals from design professionals that represent Alabama firms with diversity in their staffing, proposed project team and associated design professionals and consultants.

All applicable State of Alabama Building Commission documents and procedures, as well as any other applicable requirements from funding sources, shall be utilized on this project. Act 2001-955 requires a disclosure statement to be completed and filed with all proposals, bids, contracts, or grant proposals submitted to the State of Alabama in excess of \$5,000.

Act 2011-535 (Alabama Immigration Law) imposes conditions on the award of State contracts. Those requirements are effective January 1, 2012 for contracts receiving State funds. Proposers must agree to fully comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and the Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Architects and Engineers should review and adhere to these guidelines as appropriate to their project type. For additional information on this subject, please refer to the Alabama Building Commission's bulletins.

Project General Description: Projects varying in size and complexity and duration which Chattahoochee Valley Community College will be executing for the next two years. Individual project cost will not exceed \$250,000.00. Projects will include assessments of some buildings including utility, mechanical and structural evaluations. However, once these evaluations are completed, should the college decide to go forward with any project totaling over \$250,000 an open RFQ process for full architectural design will have to be initiated.

Response: Interested professionals should submit a letter of interest and a completed GSA Standard Form 330 along with any other relevant information to the following:

Brenda Kelley
Chief Financial Officer
Chattahoochee Valley Community College
2602 College Drive
Phenix City, AL 36869
334-214-4815
brenda.kelley@cv.edu
jdeonis@uabmc.edu

Qualifications must be received no later than 5:00 PM (EST), January 23, 2015.

This request for qualifications is not an offer to contract but seeks the submission of qualifications from qualified, professional respondents that may form the basis for the negotiation of a contract or agreement. At least three A/E firms will be selected for this open-end service from those submitting qualifications for further and more detailed evaluation and review by a committee of representatives from the College. Chattahoochee Valley Community College reserves the right to reject any or all proposals and to solicit additional proposals, through the RFQ process, if that is determined to be in the best interests of the State of Alabama.

Renovations to Longleaf Botanical Gardens

End Date: December 18, 2014

Heading: PUBLIC NOTICE

ADVERTISEMENT FOR BIDS Sealed proposals will be received by the Anniston Museum Endowment Corporation in the conference room at the Museum of Natural History, 800 Museum Dr., Anniston, AL 36206, until 2:00 p.m. Thursday, December 18, 2014 for the: Renovations to Longleaf Botanical Gardens Anniston, Alabama At which time they will be publicly opened and read. PLANS AND SPECIFICATIONS: Available from the Architect upon deposit of \$100.00 per set,

after deposit is received. The deposit is refundable in full on the first two (2) sets issued to each bidding prime contractor upon return of documents in reusable condition, within ten (10) days after bid opening. Additional sets for bidding contractors and each trade contractor bidder, subcontractor, vendor, or dealer may be obtained upon payment of the same deposit; this deposit for either additional sets or sets to subcontractor, vendor, or dealer, will be refunded less the cost of printing, reproduction, handling and distribution, upon the return of the documents in reusable condition within ten (10) days after bid opening. Failure of the prime bidding contractor to submit a bonafide bid will result in forfeiture of deposit, unless plans and specifications are received by the Architect at least ten (10) days prior to the Bid Date. Drawings and specifications may be examined in the office of the Architect; F. W. Dodge Room, Birmingham; AGC Plan Room; Reed Construction Data. BONDS: A certified check or bid bond payable to Anniston Museum Endowment Corporation in an amount not less than five (5) percent of the amount of the bid, but not exceeding \$10,000, must accompany the Bidder's Proposal. Performance and Statutory Labor and Materials Payment Bonds will be required at the signing of the Construction Contract. A PRE-BID CONFERENCE to clarify the scope of work and answer Bidder's questions is scheduled for 10:00 a.m. on Tuesday, December 9, 2014. Meeting will begin at the jobsite and is strongly advised for bidding Prime Contractors; strongly advised for major subcontractors expecting to present a bid for work on this project. BIDS: Bids must be submitted on proposal forms or copies thereof furnished by the architect. No bid will be withdrawn after the scheduled closing time for the receipt, for a period of thirty (30) days. The Owner reserves the right to reject bids if such action is determined by the Owner to be in the best interests of the Owner. The Owner reserves the right to revoke the pre-qualification of any bidder in accordance with Section 39-2-4, Code of Alabama, 1975, as amended in 1997 by Act 97-225. Prevailing wage rates under Federal Davis-Bacon Act and related Department of Labor Standards are applicable to this project. Applicable wage rates and DOL Standards will be included in the specifications. The three low bonafide Bidding Contractors will be required to submit a list of major subcontractors expected to perform the work, within thirty (30) minutes of the receipt of Bids, in writing to the Architect. Nonresident Bidding Contractors: Under Section 39-3-5, Code of Alabama, 1975, nonresident prime contractor bidders must accompany any written documents with the written opinion of an attorney licensed to practice law in such nonresident prime contractor bidders' state of domicile as to the preferences, if any or none, granted by the law of the state to its own business entities whose principal places of business are in that state in the letting of any or all public contracts. Resident prime contractors in Alabama, as defined in Section 39-2-12, are granted preference over nonresident prime contractors in the awarding of contracts in the same manner and to the same extent as provided by the laws of the state of domicile of the nonresident. Sales & Use Tax Savings Arrangement: Materials incorporated into the Work are exempt from Sales and Use Tax pursuant to Alabama Act No. 2000-684 (effective October 1, 2000). General Contractors and subcontractors interested in bidding this project are advised to contact the Sales, Use, and Business Tax Division of the Alabama Department of Revenue for information regarding required qualifications for exemption. Anniston Museum Endowment Corporation Munroe + Jenkins architects LLC, 1106 Woodstock Avenue, Anniston, Alabama 36207 (256) 231-1114 / FAX (256) 231-4511

Boatman Hall

[Go to this bid.](#)

End Date: December 19, 2014

Pursuant to Alabama Act No. 2001-956, Snead State Community College invites qualified firms to submit a letter of interest and supporting documentation relating to Architectural professional services for a Renovation Project for Boatman Hall located in Boaz, Alabama on the campus of Snead State Community College.

Qualifications: The design professionals shall hold a professional license, be registered in the State of Alabama, and be knowledgeable of the requirements of Alabama Public Works law and the Alabama Building Commission's Manual of the Procedures. Applicants will be selected on the basis of experience and qualifications of the firm.

Recognizing the composition of Alabama's citizenship, Snead State encourages proposals from design professionals that represent Alabama firms with diversity in their staffing, proposed project team and associated design professionals and consultants.

All applicable State of Alabama Building Commission procedures as well as any other applicable requirements from funding sources shall be utilized on this project. Act 2001-955 requires a disclosure statement to be completed and filed

with all proposals, bids, contracts or grant proposals submitted to the State of Alabama in excess of \$5,000.

Act 2011-535 (Alabama Immigration Law) imposes conditions on the award of State contracts. Those requirements were effective January 1, 2012 for contracts receiving State funds. Firms must agree to fully comply with the Immigration Reform and Control Act of 1986, as amended by the Immigration Act of 1990, and the Beason-Hammon Alabama Taxpayer and Citizen Protection Act. Architects and engineers should review and adhere to these guidelines as appropriate to their project type. For additional information on this subject, please refer to the Alabama Building Commission's bulletins.

Proposed Scope of Work:

The proposed scope of work includes the evaluation, analysis and design for renovation of Boatman Hall and surrounding landscaping. Proposed use for the building is to change the residence into instructional space to be used for culinary arts programs which include a commercial kitchen, various eating areas and a bed and breakfast. Design will be based on coordination with Snead State Community College.

This project has a total construction budget of \$750,000.

Response: Interested professionals should submit a letter of interest along with a completed GSA Standard Form 330 to:

Mr. Mark Richard, CFO
Snead State Community College
220 North Walnut Street
Boaz, AL 35957

Date for Submission of proposal – all proposals must be received no later than 4:00 p.m. on Friday December 19, 2014.

This request for proposals is not an offer to contract but seeks the submission of proposals from qualified, professional respondents that may form the basis for the negotiation of a contract or agreement. Snead State Community College reserves the right to reject any or all proposals and to solicit additional proposals through the RFQ process if it is determined to be in the best interest of the State of Alabama.

4. QUESTIONS

For Procurement Related Questions: For Technical Questions:

Buyer: Deirdre Baker Contact: Thomas Hamilton

Email: bakedrs@jea.com E-mail: HamiTR@jea.com

SCOPE OF WORK

JEA intends to hire a design-build firm (herein referred to as the "Company") for the design and installation via horizontal directional drilling (HDD) of approximately 4,140 LF of new 42" steel sewage force main pipe under the St. Johns River located west of Everbank Field (north bank) and east of the former Southside Generating Station Site (south bank), near downtown Jacksonville, Florida (the "Work"). The new piping is to be installed between an existing 30" water main (to the east) and an existing 42" force main (to the west). Unless otherwise indicated, the Company shall furnish all labor, materials, equipment, and supplies for all components described in this RFQ. The Scope of Work is more fully defined in the Design Criteria Package attached as Exhibit A (the "DCP"), and all Work shall be performed in accordance with the JEA Water and Sewer Standards Manual, latest edition available at jea.com. The Work shall be constructed by horizontal directional drilling (HDD) from the north bank of the St. Johns River (west of Everbank Field) to the south bank of the St. Johns River (east of the former Southside Generating Station Site). The Work also includes all required piping for both connections of the new pipe to existing the 42" DI force main, upstream of the crossing (near the Utah Pump Station) and downstream of the crossing (parking lot west of Everbank Field).

DO NOT RESPOND TO THIS SOLICITATION VIA THE VENDOR SELF-SERVICE SYSTEM.

All proposals shall be sealed and delivered or mailed to the County of Volusia Purchasing and Contracts Division Office, Room 302, 123 West Indiana Avenue, 3rd Floor, DeLand, FL 32720-4608, until 3:00 p.m. on Thursday, January 22, 2015. Proposals received after this deadline shall not be considered for award.

PURPOSE & OVERVIEW

The purpose of this request for statement of qualifications (RSQ) is to select the most highly qualified firm(s) to provide the requested services. It is anticipated that multiple firm(s) will be awarded a basic contract to provide the necessary services for a period of three (3) years exercisable at the option of the County.

SCOPE OF SERVICE

2.1 BACKGROUND:

2.2 GENERAL SCOPE OF SERVICE: The County of Volusia is seeking the services of professional consultants to provide survey and analysis of existing roof conditions and building envelope conditions.

The scope of services shall consist of, but not limited to:

- A. Development of alternative repair/replacement strategies,
- B. Preparation of plans and specifications,
- C. Provide bidding assistance, and
- D. Provide construction phase services.

Below is a list of future projects for the County of Volusia:

- A. Fire Station #13 - \$60,000 estimate (within 3 years)
- B. Fire Station # 41 - 120,000 estimate (within 3-4 years)
- C. Sheriff Information Technology Building - \$95,000 estimate (within 2 years)
- D. EVAC - \$150,000 estimate (within 3 years)
- E. Medical Examiner - \$150,000 estimate (within 3 years)
- F. 440 Beach Street - \$100,000 estimate (within 3 years)
- G. Sheriff Evidence Building - \$180,000 estimate (TBD)

RFP # NO. 15-100

PLAN, DESIGN, AND INSTALLATION OF A PRECAST LOADING DOCK WITH AWNING

FINANCE OFFICE

7 North Dixie Hwy.

Lake Worth, FL 33461

TEL: 561-586-1674

FAX: 561-586-1673

RFP # 15-100

PLAN, DESIGN, AND INSTALLATION OF A PRECAST LOADING DOCK WITH AWNING

The City of Lake Worth is seeking proposals from qualified contractors to plan, design and set a precast loading dock on the east side of the warehouse located at 1900 2nd Ave North, Lake Worth, FL 33461 to support the movement of materials for utility operations.

Mandatory Pre-Bid meeting will be held at 10:00 a.m. on January 8, 2015 at the Utility Warehouse located at 1900 2nd Ave North, Lake Worth, FL 33461 to inspect and review the site conditions and questions will be encouraged to best confirm the appropriate scope.

Attendance is strongly encouraged.

Time is of the essence and any proposal received after 3:00 p.m., January 30, 2015, whether by mail or otherwise will be returned unopened. Proposals shall be placed in a sealed envelope, marked in the lower left-hand corner with the RFP number, title, and date and hour proposals are scheduled to be received. Proposers are responsible for insuring that their proposal is delivered and stamped by the City's Finance Office personnel by the deadline indicated. The City reserves the right in its sole discretion to reject any or all proposals and/or to waive all nonmaterial irregularities on any and all proposals. All costs and expenses, including reasonable attorney's fees, incurred by any firm in preparing and responding to this RFP are the sole responsibility of the proposer including without limitation any and all costs and fees related to a protest.

Interested parties may obtain a copy of the RFP by contacting the Finance Office at (561) 586-1674 or from the City's website at www.lakeworth.org, Purchasing Opportunities. All proposals must be hand-delivered or mailed to:

City of Lake Worth Finance Office – 2nd Floor

7 North Dixie Hwy

Lake Worth, FL 33461

PROJECT OBJECTIVE

The City of Lake Worth is seeking proposals from qualified contractors to plan, design and set a precast loading dock on the east side of the warehouse located at 1900 2nd Ave North, Lake Worth, FL 33461 to support the movement of materials for utility operations.

REGISTRATION

Each Proposer seeking to submit a proposal is requested to register with the Finance Office in order to receive any addenda to this RFP. Please complete the Registration form attached as Exhibit "C" and mail, fax or e-mail to the Finance Office at the address noted below on or before 3:00 p.m., Monday, December 15, 2014. It is the responsibility of each Proposer to ensure that it receives all addenda. The City shall have no responsibility to provide any addenda issued

under this RFP to any Proposer; however, the City will use its best efforts to provide issued addenda to those Proposers registered for this RFP with the City.

GULF COUNTY BOARD OF COUNTY COMMISSIONERS
REQUEST FOR PROPOSALS #1415-06
FDOT FPID NO. 435344-1-38-01

The Gulf County Board of County Commissioners is seeking professional consultant services for Design Services on the David B Langston Drive Sidewalk Project. The scope of this project will include the surveying, design, and permitting (if applicable) of sidewalk along Langston Drive between 1st Street and Avenue A in Port St. Joe, FL as identified in the County's Local Agency Participation contract with the Florida Department of Transportation (FDOT). Consideration will be given to only those firms that are qualified pursuant to law and that have been prequalified by FDOT to perform the indicated types of work.

Work Types: 3.1 – Minor Highway Design
Response Deadline: Friday, January 9, 2014 at 4:00 P.M. ET
Opening Date: Monday, January 12, 2014 at 10:00 A.M. ET

This project is federally funded with assistance from the FDOT and the Federal Highway Administration (FHWA). By submitting a letter of response, the Consultant certifies that they are in compliance with FDOT Procedure No. 375-030-006 (Restriction on Consultants Eligibility to Compete for Department Contracts) and that no principle is presently suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation on this transaction by any Federal Department or Agency.

Information regarding the proposal can be obtained at the Gulf County Clerk's Office, 1000 Cecil G. Costin Sr., Blvd., Room 149, Port St. Joe, FL 32456, and on the County's Web Site by clicking [here](#). In order to ensure a fair, competitive, and open process, once a project is advertised for Letters of Qualifications, all communications between interested firms and the County must be directed to Ms. Kari Summers, Deputy Grant Coordinator, 850-229-6144 or at ksummers@gulfcounty-fl.gov.

If interested, qualified consultants are required to submit the original and three (3) copies of the letter of response to the Gulf County Clerk's Office, 1000 Cecil G. Costin Sr., Blvd, Room 149, Port St. Joe, FL 32456 by the response deadline.

Please indicate on the envelope that this is a sealed proposal for the "RFQ #1415-06 David B Langston Drive Sidewalk Project Design Services".

BRIDGE DESIGN AND ENGINEERING SERVICES

[Go to this bid.](#)

End Date: December 30, 2014

New and Open Bids
NOTICE OF RFQ FOR BRIDGE DESIGN AND ENGINEERING SERVICES

Gilchrist County Board of County Commissioners is seeking proposals from Florida certified Engineering firms interested in providing design services and other related services to the County under a continuing contract conforming to the stipulations outlined within Chapter 287.055 of the Florida Statutes, also known as the "Consultant's Competitive Negotiation Act."

The full RFQ, including the instructions for preparation and submission of the proposal may be obtained at the Gilchrist County Administrators Office, located at 209 SE 1st Street, Trenton, FL 32693 or you may request a copy, by emailing bcrosby@gilchrist.fl.us and thilliard@gilchrist.fl.us. Proposals must be marked "Response to Request for Qualifications, Engineer", they must be sealed and delivered to the office of Bobby Crosby, Gilchrist County Administrator, 209 SE 1st Street, Trenton, FL 32693 by hand or by delivery service, no later than: December 30, 2014 at 2:00 pm (local time).
PLEASE NOTE - Gilchrist County is NOT a guaranteed time delivery area for any courier or delivery source Late Proposals will not be accepted and will not be considered for recommendation.

All inquiries or questions regarding this RFQ should be submitted by e-mail to bcrosby@gilchrist.fl.us by 2:00 pm, December 19, 2014. All questions and the responses to those questions will be posted on the county's official website at www.gilchrist.fl.us. No other verbal or written communication shall be binding on the county.

For further information please contact the Gilchrist County Administrator's Office at 352-463-3198 or bcrosby@gilchrist.fl.us.

The City of Fort Lauderdale, Florida (City) is seeking proposals from qualified proposers, hereinafter referred to as the Contractor, to develop a Parks and Recreation System Master Plan (PRSMP) for the City's Parks and Recreation Department, in accordance with the terms, conditions, and specifications contained in this Request for Proposals (RFP).

DESIGN AND DEVELOPMENT SERVICES

[Go to this bid.](#)

End Date: January 07, 2015

CITY OF POMPANO BEACH

REQUEST FOR LETTERS OF INTEREST

E-09-15

DESIGN AND DEVELOPMENT SERVICES FOR THE MCNAB ROAD BRIDGE REPLACEMENT

RLI OPENING: January 7, 2015, 2:00 P.M.
PURCHASING OFFICE
1190 N.E. 3RD AVENUE, BUILDING C (Front)
POMPANO BEACH, FLORIDA 33060
REQUEST FOR LETTERS OF INTEREST (RLI)
E-09-15

DESIGN AND DEVELOPMENT SERVICES FOR THE MCNAB ROAD BRIDGE REPLACEMENT

Pursuant to Florida Statutes Chapter 287.055 "Consultants' Competitive Negotiation Act" the City of Pompano Beach invites professional engineering firms with architectural, landscape architecture, land surveying-mapping associations to submit Letters of Interest, qualifications and experience for consideration to provide Design and Development services to the City for the replacement of the McNab Road Bridge.

The City will receive sealed proposals until 2:00 p.m. (local), January 7, 2015, in the City's Purchasing Office, 1190 N.E. 3rd Avenue, Building C, Pompano Beach, Florida, 33060. E-mailed or faxed proposals will not be acceptable.

Introduction

The McNab Road Bridge built in 1959 is a two lane Bridge structure built over 5 spans which carries the McNab Road connecting Cypress Road to the West with Federal Highway (US1) to the East, is located 0.8 miles west of Federal Highway and carries both vehicular and pedestrian traffic.

The structure has undergone various repair cycles anywhere from Pile Jacketing to deck repairs over the years, the most recent being in 2007

The most recent Bridge Inspection Reports are included herein, documenting the results of inspections conducted by Kissinger Campo & Associates Corp through the Florida Department of Transportation's Bridge Management System. This bridge has been designated as a functionally obsolete structure. There are posted weight restrictions for the bridge.

1. Scope Of Services

The City intends to issue a single contract to an engineering firm, with architectural, landscape architecture, land surveying-mapping associations, to provide professional consulting services to the City for the design of the new Bridge. The scope of services may include, but is not limited, to the following:

- a. Survey of the complete ROW within 500 ft. east and west of the existing Bridge structure.
- b. Prepare three Preliminary Conceptual Renderings outlining distinctly different aesthetic architectural design concepts to the structure and preliminary cost estimates.
- c. Conduct presentations to elected officials, staff, and the public.
- d. Prepare all required bidding and construction documents for the project. This will include preparing surveys, all architectural and engineering designs, construction plans, any supplementary contract requirements, technical specifications and cost estimates. Strong emphasis will be placed on the Architectural elements of the design.
- e. Attendance at City Commission Workshops and meetings, Pre-bid and bid award meetings will be required.
- f. Coordinate processing the project through all required governmental and quasi-governmental agencies, City Departments and other appropriate review boards.
- g. Prepare and process all required permit application and submittal packages as required for permit issuance of all agency permits (i.e. State, County, and City)
- h. Attend pre-bid meeting, respond to questions and prepare possible bid addendums for project revisions.
- i. Assist the City in making bid award recommendations for contracting/ construction services.
- j. Provide Construction Engineering Inspection/ Management Services. Services during construction will include weekly inspections, responding to contractor requests for information and reviewing contractor payment applications.
- k. Provide project closeout services. This may include preliminary and final acceptance of the project' preparation and approval of punch list items and project certification as required by all permitting agencies.

Questions and Communication

All questions regarding the RLI are to be submitted in writing to the Purchasing Office, 1190 N.E. 3rd Avenue, Building C (Front), Pompano Beach, Florida 33060, fax (954) 786-4168, or email purchasing@copbfl.com. All questions must include the inquiring firm's name, address, telephone number and RLI name and number. Questions must be received at least seven (7) calendar days before the scheduled solicitation opening. Oral and other interpretations or clarifications

will be without legal effect. Any addendum necessary to answer questions will be posted to the City's website, and it is the Proposer's responsibility to obtain all addenda before submitting a response to the solicitation.

CONCEPTURAL DESIGN SERVICES

[Go to this bid.](#)

End Date: December 17, 2014

CONCEPTURAL DESIGN SERVICES PROPOSED SIDEWALKS ALONG SW 132ND STREET, FROM US 1 TO SW 74TH AVENUE

The Village of Pinecrest, Florida seeks a quote from design consultants (Consultant) for conceptual design services for the installation of a sidewalk along SW 132ND Street, from US 1/South Dixie Highway to SW 74th Avenue. The objective of the design work is to determine and illustrate the proposed sidewalk and the impact of the sidewalk, along the right-of-way (ROW).

The proposed conceptual design must be in accordance to County and State Roadway Design Standards, as well as the Village's Sidewalk Installation Policy, in particular, the design criteria, unless otherwise recommended by the Consultant, and approved by the Village.

Surveys have been performed for the south side of the roadway, and the survey on the north side is currently underway. The surveys will serve as the basis for the conceptual designs. The proposed design will illustrate the proposed sidewalk layout and should illustrate the existing right-of-way conditions, including the existing width of pavement and any right-of-way encroachments identified in the surveys.

Scope of Services

Using the surveys available from the Village, and after inspecting the area, the Consultant will first determine which side of the street may accommodate the proposed sidewalk. This determination will be based on the least intrusive layout, based on the conditions of the ROW. i.e. trees, special drives, etc. Once the determination is made and approved by the Village, the Consultant shall prepare a plan of existing conditions showing existing limits of ROW, available elevations, structures, easements, landmarks (i.e. edge of pavement, centerline, driveways, sidewalks, buildings, trees, structures with inverts, etc.) and utilities. The Consultant should use the data acquired in the survey to prepare conceptual plans of the proposed sidewalk for presentation to the Village. After approval of the conceptual plans by Village staff, the Consultant shall develop colorized graphic conceptual plans of proposed improvements of sufficient quality and size for public presentation purposes. The Consultant shall present the proposed sidewalk layout in a public meeting and answer any questions that may be raised concerning the sidewalk.

The Consultant shall prepare an itemized cost estimate of the proposed sidewalk.

Quotes are due no later than Wednesday, December 17, 2014, 4:30 pm. They may be mailed or hand delivered to 12645 Pinecrest Parkway, Pinecrest, Florida 33156, or emailed to agasca@pinecrest-fl.gov.

THE DEPARTMENT OF MILITARY AFFAIRS (OWNER) REQUESTS QUALIFICATIONS FROM YOUR FIRM FOR:

PROJECT NUMBER: 2015-18+3

ARCHITECTURAL/ENGINEERING SERVICES

For

CONTINUING STATEWIDE TERM CONTRACTS

The State of Florida, Department of Military Affairs (DMA), Construction and Facility Management Office (CFMO) requests qualifications for: Professional Architectural/Engineering Firms properly registered and licensed to do business in the State of Florida. These firms consultant's will conduct or provide planning and full architectural/engineering services on a continuing professional services term contract for DMA facilities projects, statewide. Projects included in the scope of this agreement will be projects for renovation, alterations, and additions that have a construction cost not to exceed \$2,000,000 or studies (investigational or planning services included) for which the fee for professional service does not exceed \$200,000.

DMA contracts for these projects provide that the consultants be available on an as-needed basis for a period of 3 years with a one-time option to renew for an additional 3 years. The plans and specifications for DMA projects are subject to reuse in accordance with the provisions of Florida Statutes, Section 287.055. All drawings become the sole property of the DMA. Pursuant to Section 119.071(3)(b), Florida Statutes, all building plans, blueprints, schematic drawings, and diagrams, including draft, preliminary, and final formats, which depict the internal layout and structural elements of a

building, arena, stadium, water treatment facility, or other structure owned or operated by an agency are exempt from inspection or disclosure under Florida's Sunshine laws. The Professional Services Firm agrees to protect and ensure the confidentiality of such documents under its custody or control in conformance with the requirements of Section 119.071(3), Florida Statutes, and all applicable laws. At a minimum, all such documents shall be prominently marked, directly or on an attached cover page, with the following statement: "All plans contained herein are confidential and exempt from public inspection or disclosure pursuant to Section 119.071(3)(b), Florida Statutes." Any violation of this paragraph or Chapter 119, Florida Statutes, may result in immediate termination of all contracts by Owner.

Tasks may include Architect-Engineer (A/E) Services Title I Type A and B and Title II Type C, including but not necessarily limited to site investigation, wetland delineation, boundary survey, topography survey by contours, tree survey, utility surveys, utility capacity reports, soils report, schematic and preliminary designs, user design conferences to finalize the design, programming, construction design services, preconstruction design services, constructability reviews, complete design and engineering, life cycle cost analysis, code research, prioritize project components and/or additive bid items, bid phase services, construction documents, specifications, renderings, detailed line-item construction cost estimates, Water Management District (WMD) general storm water permit, Florida State Fire Marshal compliant design, Florida Building Code compliant design, and construction administration required to provide a complete facility. The A/E may also need to provide technical assistance and signed/sealed documents to aid the General Contractor to secure the required building permits, DEP permits, and drainage permits. Planning or study activities may include but are not limited to Master Planning activities, mapping, surveying, assessments, Geographical Information Systems (GIS), Cultural Resource Surveys, Environmental Baseline Survey, Environmental Condition of Property Survey or other services as allowed by Florida Statute 287.055.

The selection of applicants for consideration will be made on the basis of information provided on the State of Florida Professional Qualification Supplement (PQS Form DBC 5112). Additional information may need to be obtained on a case-by-case basis to allow the technical review committee to make the best selections possible.

CONTRACT AWARD: No contract for a specific project will be awarded directly from this solicitation. The sole purpose of this solicitation is to obtain Professional Qualifications from Qualified Licensed Professional Service Firms. This information will be used to select the most qualified firms for term contracts as allowed by Florida Statute 287.055. There is no stated or implied contract award or guarantee or promise of work. Task Orders will be issued against the term contracts on an as-needed and as-qualified basis.

Prior to entering into a contract with the State of Florida, Department of Military Affairs, the selected firm must be registered with the Florida Department of Management Services (DMS) MyFloridaMarketPlace Vendor Registration System. Proof of registration must be included in your submittal. Information about the registration process is available, and registration must be completed at the MyFloridaMarketPlace website (link available under BUSINESS at www.myflorida.com). Prospective firms who do not have Internet access may request assistance from the MyFloridaMarketPlace Customer Service at (866) 352-3776.

INABILITY TO POST ELECTRONICALLY: If the Department is unable to post an Intent to Award due to technical difficulties, the Department will notify all firms via the Point of Contact and electronic address provided to the Department. Notice will be posted once the technical difficulties have been rectified; however, the official posting time will be that time at which the last firm was electronically notified.

DISCRIMINATION; DENIAL OR REVOCATION FOR THE RIGHT TO TRANSACT BUSINESS WITH PUBLIC ENTITIES: An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a firm, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity.

PUBLIC ENTITY CRIME INFORMATION STATEMENT: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

The STATE OF FLORIDA requires all Vendors to implement a drug free workplace program as defined in 287.087, Florida Statutes.

MINORITY PROGRAM: Minority Business Enterprises (MBE) are encouraged to participate in this Request for Qualifications. Utilization of MBE participation is encouraged from all participants. MBE's must be certified by the Office of Supplier Diversity.

The State of Florida's performance and obligation to pay under any contract is contingent upon availability of funding and an annual appropriation by the Legislature.

Submissions required for this project: 1 original & 2 copies of complete submittal package are required. (Color or graphic submittals are not required; however, they are accepted).

1. A Letter of Interest describing your firm's capabilities, accomplishments and specialized staff should be included in the submission package.
2. Professional Qualifications Supplement (PQS) Form DBC 5112, Revised April 2013. Forms can be electronically obtained in .doc format by contacting the CFMO Contract Management Department at ng.fl.flarng.list.ngfl-cfmo-contracting@mail.mil or calling (904) 827-8544. No other forms or format of the Form DBC 5112 will be accepted.

NOTE:

Question #3 of PQS form: One copy of the current Florida Department of Professional Regulation License(s) with the appropriate Board(s) for each of the license numbers listed in PQS form number 3.

Question #6 of PQS form: A list of all projects for the past three years which exhibit your firm's experience. Please include projects up to \$2,000,000 range that includes new construction and renovations. Proof of experience with LEED is also required. Provide current contact information of the Owners and Contractors.

3. For Corporations only: If the firm offering services is a corporation, it must be properly registered with the Department of State to practice their profession in Florida and must provide one copy of the firm's current Florida Corporate Registration.

Submittals are to be sent to Department of Military Affairs, Construction and Facility Management Office (CFMO), Robert F. Ensslin, Jr. Armory, 2305 State Road 207, St. Augustine, Florida, 32086, ATTN: Contract Management Branch. Submittals must be received no later than 5:00 PM on Wednesday, January 7, 2015. Facsimile (fax) or e-mail submittals are not acceptable and will not be considered. All instructions must be complied with and requested data must be included in order for your firm to be considered for future projects. All information received will be maintained with the department and will not be returned. A selection of firms for "continuing term contracts" may or may not require telephone interviews

The final list will be posted on the myfloridamarketplace.com (Vendor Bid System) for public viewing.

NO VERBAL STATEMENTS MADE BY ANY STATE OF FLORIDA EMPLOYEE OR AGENCY REPRESENTATIVE WILL OPERATE TO SUPERSEDE INFORMATION PUBLISHED IN THIS SOLICITATION. ONLY WRITTEN ADDENDUMS ISSUED BY THE DEPARTMENT OF MILITARY AFFAIRS CONSTRUCTION AND FACILITY MANAGEMENT OFFICE OR ITS REPRESENTATIVES WILL OPERATE TO ALTER OR OTHERWISE AMEND THIS SOLICITATION.

Request for Information will be opened at the below address at 05:00 P.M., January 07, 2015.

Please direct all questions to:

Rachel Sommerer

Description

The Purpose of this Request for Qualifications (RFQ) is to qualify a Proposer for Architectural and Engineering Design Services for the Altos del Mar Park Project ("the Project"). The Altos Del Mar Park is located at 7701 Collins Avenue, Miami Beach, FL. The qualified Proposer will be responsible for providing Architectural, Structural Engineering, MEP Engineering, Civil Engineering, FDEP Coastal Permitting Consultant, Landscape Architecture, Construction Cost Estimating, Surveying and Geotechnical services for the Project. The work shall include, but not be limited to, conceptual drawing(s), surveying, geotechnical, design development, estimate(s) of probable construction cost, construction documents, permitting, bidding / award, and construction administration services for the Project.

These contract documents, as a result of this RFQ, will include details for the construction of the Master Plan for the Altos Del Mar Park. Scope of Services is pursuant to Appendix C, Section C-2., of this RFQ.

Proposed improvements will include a Pedestrian Entrance, Enhancement to existing parking area, Sand Volleyball Courts, Pedestrian Beach Access, Multi-use Walkways, Bocce Courts, Retaining/sitting Walls, Open Sodded Area, Landscape and Irrigation, ADA Playground and Restroom Facility.

The City seeks Proposals from professional consulting architectural/engineering firms which have proven experience in the preparation of construction contract documents for Parks with Facilities and Amenities. The successful firm must have the financial resources and technical expertise to provide the services requested in this RFQ and prepare the associated construction contract documents that allow the City of Miami Beach to advertise, bid and award a contract for the construction services.

This RFQ is issued pursuant to Chapter 287.055, Florida Statutes, the Consultants Competitive Negotiations Act (CCNA). **SOLICITATION TIMETABLE.** The tentative schedule for this solicitation is as follows:

Pinecrest, Florida 33156

www.pinecrest-fl.gov/BIDS

US-1 MEDIAN BEAUTIFICATION DESIGN

Project No. 2014-017

The Village of Pinecrest seeks a qualified landscape architect to provide professional services including design, bid documents and construction support in landscaping improvements to US1/Pinecrest Parkway/South Dixie Highway within Pinecrest boundaries. The consultant will be required to provide all necessary field work, selection of plants, acquire any necessary permits, prepare contract documents, and provide bidding and construction support. Qualifications must be submitted no later than 10:00 a.m. on Wednesday, December 17, 2014 to Village of Pinecrest, 12645 Pinecrest Parkway, Pinecrest, Florida, 33156. Late submittals shall not be accepted or considered. The packages shall be clearly marked "US1 MEDIAN BEAUTIFICATION DESIGN".

Respondents are to deliver one (1) original, one (1) complete copy, and one (1) digital CD or USB flash drive (in PDF format) detailing their qualifications including a letter of interest, statements of qualifications and experience, and other pertinent information for consideration as detailed in the Scope of Services of the RFQ.

You are hereby advised that this Request for Qualifications is subject to the "Cone of Silence," in accordance with Section 2-11.1(t)(a) of the Code of Miami-Dade County. From the time of advertising until the Village Manager issues her recommendation, there is a prohibition on communication with the Village's professional staff. All questions or comments should be sent to agasca@pinecrest-fl.gov.

A complete copy of the Request for Qualifications packet may be obtained at www.pinecrest-fl.gov/bids or by emailing agasca@pinecrest-fl.gov. All questions and comments should be directed in writing to the Administrative Services Manager, Angela Gasca, at agasca@pinecrest-fl.gov.

SECTION 2 –PROJECT DESCRIPTION

2.1 SCOPE OF SERVICES

This project consists of developing a beautification plan for the median of US 1 within the Pinecrest boundaries (from SW 136 ST to the C-2 Canal.) The following is a general outline of the scope of work that is required for this project. The final scope will be agreed upon after discussion with the selected consultant.

- A. Provide project management and administration from design through construction
- B. Explore the project site, its physical conditions, limitations and existing conditions. Project may require a survey.
- C. Review and incorporate existing utilities and include all improvements to extend all necessary utilities to the project site.
- D. Provide recommendation for sustainable plant selection, subject to review and approval by the Village.
- E. Provide recommendations for beautification including street furniture, decorative crosswalks and lighting.
- F. Prepare project construction plans and bid specifications.
- G. Prepare cost estimates for review and for bid evaluations.
- H. Answer all technical questions from prospective bidders during the bidding period and preparation of addenda, as necessary.
- I. Meet with Village staff before start of work and after each submittal.
- J. During construction, consultant will be required to provide technical assistance and respond to questions from the contractor.

DESIGN, CONSTRUCTION, OPERATION, MAINTENANCE AND MONITORING OF A GROUNDWATER RECOVERY

Phone: (904) 357-3017

E-Mail: lenedda.edwards@jaxport.com

General Scope of Work: The Jacksonville Port Authority ("JAXPORT"/"JPA") is requesting Proposals from the shortlisted Qualified Firms, that were selected during the Receipt of Statements of Qualifications (SOQ's), requested via a RFQ

document, where each submitting Proposer was independently evaluated, ranked and shortlisted by JAXPORT's Evaluation Committee in accordance with the SOQ's Evaluation Criteria. The shortlisted Design-Build Teams designated by JAXPORT's Evaluation Committee will now continue to the next step in the bidding process, which is the receipt and response to this Request for Proposals (RFP). Consequently, the shortlisted Design-Build Teams will now follow a two-step RFP process, in which each Proposer will submit the following: 1) A Written Technical Proposal and an Oral Presentation (if necessary) and 2) A Price Proposal.

Questions: Related to this contract are due by 5:00 PM (EST) on Monday, December 1, 2014. Submit questions by e-mail only to lenedda.edwards@jaxport.com

Deadline for Written Technical Proposals: Must be delivered & received by the Procurement Department by 2:00 PM (EST) on Tuesday, December 9, 2014 at which time a Receipt of Written Technical Proposals meeting will be held in the 1st Floor Conference Room at the Port Central Office Building, 2831 Talleyrand Avenue, Jacksonville, Florida 32206.

Event Schedule: Below is the current schedule of the remaining events that will take place. JAXPORT reserves the right to make changes or alterations to the schedule as JAXPORT determines is in its best interest. Proposers will be notified in advance of any changes or alterations to the schedule. Unless otherwise notified in writing by the Procurement Department, the dates indicated below for submission of items or for other action on the part of the Proposer shall constitute absolute deadline for those activities and failure to fully comply by the time stated shall cause a Proposer to be disqualified.

It is anticipated that the following schedule will remain but is subject to changes:

Release Request for Proposals to Shortlisted Proposers Only.....November 13, 2014
Mandatory Pre-Proposal Meeting & Site Visit.....November 19, 2014
Deadline for final questions, 5:00 PM (EST).....December 1, 2014
Written Technical Proposal Submittal Date.....December 9, 2014
Oral Presentations (if necessary).....December 15-16, 2014
Price Proposal Submittal Date.....December 19, 2014
Recommendation for Award Notification.....December 22, 2014
PARM / Awards Committee Review.....January, 2015
Issue and Execute Contract.....January, 2015
Issue Notice to Proceed.....TBD
Completion Date for Groundwater Recovery System.....TBD

GEORGIA

DESIGN PROFESSIONAL SERVICES

[Go to this bid.](#)

End Date: January 15, 2015

Savannah-Chatham County Public School System
20S Bull Street Savannah, Georgia 31401 / 912.395.5600

The Savannah-Chatham County Public School System wishes to announce that we are requesting Statements of Qualifications for Design Professional Services for Haven Elementary School, Juliette Low Elementary School and Spencer Elementary School Replacement Projects under RFQ C15-17 (ESPLOST), by a firm authorized to do business in the State of Georgia. A Mandatory Pre-Proposal Conference will be held on January 6, 2015 at 9:00 A.M., in Room 303 of the Savannah-Chatham County Public School Systems Central Offices Facility, located at 208 Bull Street, Savannah, Georgia, 31401. Statements of Qualifications will not be accepted from any firm that is not represented at the Mandatory Pre-Proposal conference.

Enclosed is a Request for Qualifications (RFQ) packet which outlines the services being solicited and instructions which describe the submission of the Statement of Qualifications. This cover letter is not a part of the Request for Qualifications (RFQ) and information herein is for reference only. All Statements of Qualifications should be delivered to the District Purchasing Department, 208 Bull Street, Room 213, Savannah, Georgia, 31401. The advertising dates for this RFQ C15-17 are December 14, 2014 to December 28, 2014 and December 28, 2014 to January 15, 2015. Statements of Qualifications will be accepted prior to 11:00 A.M. on Thursday, January 15, 2015, at which time they will be entered into a register which will be available for public review. If you wish to receive a copy of the register, please enclose a self-addressed stamped envelope with your Statement of Qualifications, and a copy of the register will be mailed to you. It is the policy of the Board of Education to maximize the utilization of qualified local, minority, and women owned business enterprises ("LMWBEs") who provide professional services or who serve as prime contractors, subcontractors or suppliers as a part of the District's facilities construction, maintenance and repair programs. The Board expects that prime contractors on district construction projects will make and document good faith efforts to maximize the utilization of qualified LMWBEs as subcontractors and suppliers. The Board also promotes capacity building within the local construction community and encourages the use of partnerships, teaming and mentorships to provide LMWBEs with relevant and necessary experiences to grow their business.

Statements of Qualifications received after the time and date for submittal stipulated in the RFQ will not be opened or considered, and will be returned to the Offerer unopened. The time of receipt shall be determined by the time stamp in the Purchasing Department. Offerers are responsible for ensuring that their Statements of Qualifications are stamped by Purchasing Department personnel before the deadline indicated.

If you desire a copy of all Project Documents via US Mail, FedEx, or UPS, please notify the Savannah-Chatham County Public School System's Purchasing Department at (912) 395-5572. As a courtesy, an unofficial copy of the solicitation document (only) may be available via the District's web page at www.sccoss.com.

If you have any questions concerning this RFQ, please submit them in writing to the address above or fax them to 912-201-7648. Verbal inquiries will not be considered. Your interest and participation in submitting a Statement of Qualifications in response to this RFQ is greatly appreciated.

Sabrina Scales, C.P.P.B.

Purchasing Director

PURPOSE

The Savannah-Chatham County Public School System, on behalf of the Board of Public Education for the City of Savannah and the County of Chatham District, is soliciting Statements of Qualifications from architectural firms (the "Design Professional"), authorized to do business in the State of Georgia, and that have experience in the planning, design and construction of new, renovations or modifications of K-12 Public Schools. Those Firms who are determined by the District to be qualified will be shortlisted for either one or multiple projects and invited to interview and offer Responses for design services. All respondents to this RFQ are subject to the instructions communicated in this document, and are cautioned to completely review the entire RFQ and follow instructions carefully. The District reserves the right to reject any and all Responses, and to waive technicalities and informalities at the discretion of the District. The selected Design Professional firms shall provide professional services for the project described in Section 5 of this document.

The Board of Public Education for the City of Savannah and the County of Chatham is interested in entering into contracts with qualified professional architectural firms to provide services of a specified nature, the form of said contract being attached hereto, said services consisting of providing Design Services for the three projects noted within this solicitation.

One response to the RFQ is all that is required to qualify each responder to a shortlist for one or multiple projects as deemed by the District. If an Offeror desires to be considered for only a specific project and not all of them, this needs to be stated on the Offeror's letter of introduction. After shortlists have been determined further information will be sent to the shortlisted firms which will schedule and help them to prepare for the interview.

Design Services for the Remodel/Expansion of Sexton Hall

[Go to this bid.](#)

End Date: January 15, 2015

RFP No. 14-160-1500: Design Services for the Remodel/Expansion of Sexton Hall

REQUEST FOR PROPOSAL ("RFP") NO. 14-160-1500

Architectural/Engineering Services for the Remodel/Expansion of Sexton Hall

The Forsyth County Board of Commissioners is soliciting proposals from qualified firms to provide architectural/engineering services to remodel the existing structure as well as expanding the facility by approximately 3,800 s.f. Services to include permitting and providing plans/specifications for the bidding for construction of the project.

Pre-Proposal meeting is scheduled for 9:30 a.m., Friday, January 9, 2015 at Sexton Hall, 2115 Chloe Road, Cumming, GA, 30041. All interested parties are strongly encouraged to attend.

Proposal specifications can be obtained from the County web site: www.forsythco.com, on the right hand side click on "Bids & Results" and follow the directions. Contact the Forsyth County Procurement Department, (770 888 8872) if assistance is needed. If a hard copy is requested from Forsyth County Procurement Department a non-refundable fee of \$10.00 (ten dollars) is required.

If the requesting firm desires the documents to be mailed to it, the firm will be required to provide a FedEx, UPS, or other carrier number to be charged.

No Proposals will be received or accepted from any contractor who has not received plans from the Forsyth County Procurement Department. All firms must be licensed in Georgia, maintain a full-time office in Georgia, and have a registered agent in Georgia.

No firm may withdraw their Proposal within 90 days of the actual date of opening.

Sealed Proposals will be received until 2:00 p.m. (Eastern Standard Time), Thursday, January 15, 2015 at the Forsyth County Procurement Department, 514 West Maple Street, Suite 104, Cumming, GA 30040. Proposals will be opened and only names of firms submitting proposals will be read aloud at 2:05 p.m., Thursday, January 15, 2015. Proposers and the general public are invited to attend.

Forsyth County, Georgia hereby gives public notice that: "It is our policy to assure compliance with Title VI of the Civil Rights Act of 1965, the Civil Rights Act of 1987, and related statutes and regulations in all programs and activities."

Award of Proposal will be made at a later date. The County reserves the right to reject any or all proposals, and to waive technicalities and informalities

Description Information:

The Georgia State Financing and Investment Commission ("Owner"), on behalf of the Georgia Department of Behavioral Health and Developmental Disabilities, ("Using Agency"), and the Central State Hospital, is soliciting statements of qualifications from firms interested in providing Design Professional services for a project known as Project No. DBHDD-018, Construction of Treatment Mall at the Central State Hospital located in Milledgeville, Georgia ("Project"). This Request for Qualifications (RFQ) seeks to identify potential providers of the above-mentioned services. Some firms that respond to this RFQ, and who are determined by the Owner to be sufficiently qualified, may be deemed eligible, and may be invited to interview and offer proposals for these services. All respondents to this RFQ are subject to instructions communicated in this document, and are cautioned to completely review the entire RFQ and follow instructions carefully. GSFIC reserves the right to reject any or all statements of qualifications or proposals, and to waive technicalities and informalities at the discretion of GSFIC.

The RFQ/RFP is posted on the Georgia Procurement Registry (below). Interested firms should check this site often for additional information regarding the project.

Kitchen Renovations & Modifications

[Go to this bid.](#)

End Date: January 06, 2015

COWETA COUNTY SCHOOL SYSTEM
REQUEST FOR PROPOSAL
FOR
KITCHEN RENOVATIONS & MODIFICATIONS TO: EASTSIDE ELEM. SCHOOL

The Coweta County School System is requesting a proposal from interested and qualified Construction Management Firms for Kitchen Renovations and Modifications to Eastside Elementary School . The approximate total anticipated budget for all phases in this project is \$895,000.00.

The Coweta County School System (hereinafter referred to as School System) plans to select the most qualified Construction Management Firm (hereinafter referred to as CM) to enter into a CM at Risk contract for the construction for the above referenced project. The proposed fee to be submitted as a part of the CM Proposal will include "Overhead and Profit" to be awarded as a percentage and "General Conditions" awarded on a fixed fee.

The services to be performed by the CM will have as their objective the efficient, economical, and timely delivery of the project by managing the construction of the project within the time and cost limitations and within established quality requirements. The services will be performed during the pre-construction phase, construction phase and post construction phase including working with the owner in estimating, value engineering, arrangements of bid packages, bidding and award of the trade contracts, and management of construction until occupancy is achieved, and implementing the one (1) year warranty and one (1) year warranty inspection.

The procedures for public works construction contracts as established by the Georgia Local Government Public Works Construction Law, O.C.G.A., 36-91-1 shall be followed. Final selection will be made in accordance with the policies and administrative directives of the School System and any other statutory provisions.

Responses must be received by the School System at 167 Werz Industrial Dr.; Newnan, GA; 30263 on or before 12:00 noon on January 6, 2015 After which time and date they will no longer be accepted. Late responses will be returned unopened and will not be considered. To be accepted, all responses must be submitted in a sealed package marked "Proposal for Kitchen Renovations & Modifications to: Eastside Elementary School - CM at Risk Services". Six (6) copies of each proposal must be forwarded or delivered to:

Mr. Ronnie Cheek

Only written inquiries received via email, fax, or U.S. mail by 4:00 p.m. on December 18, 2014 will be considered.

Responses to all written inquiries will be posted to the Current Solicitations page on the Cobb County School District website at <http://www.cobbk12.org/centraloffice/Purchasing/CurrentSolicitations.aspx>

Proposal Documents will be issued by:

The Architect: Raymond Engineering

124 Royal Drive, Suite 100

Conyers, GA 30094

Phone: 866-544-5979

Fax: 770-483-8082

to all interested parties upon receipt of a request accompanied by a non-refundable check made payable to the issuing party above in the amount of:

\$150.00 per set for Hard Copies

\$ 75.00 per set for electronic documents in PDF format

Hard copy documents will be shipped postpaid, as soon as possible.

Contract, if awarded, will be on the basis stated in the Instructions to Offerors. No proposal may be withdrawn for a period of 60 days after proposal opening.

Proposals must be accompanied by a bid bond made payable to the Cobb County School District, in the amount equal to 5 percent of the proposal price. (Certified Checks Not Acceptable.) The successful offeror will be required to furnish a Performance Bond and a Payment Bond acceptable to the Cobb County School District in an amount equal to 100 percent of the contract price and executed by a Surety Company licensed to do business in the State of Georgia and listed in the Department of the Treasury Circular 570, latest edition. The Surety Company shall have an A.M. Best Company minimum rating of "A-" with a financial size of VI "6" or better. Bonds must be accompanied by letter stating bonding company's current rating for verification prior to acceptance by the Owner and execution of the formal Owner/Contractor agreement.

Bonding of Subcontractors: Include in the Base Proposal, Performance and Labor and Materials Payment Bonds, each in 100% of the subcontract sum, for each Subcontractor having a contract of \$50,000.00 or more for Roofing, HVAC, Plumbing, Sprinkler System and Electrical Work as required by the General Conditions.

Contractor and Subcontractors shall require the Attorney-in-Fact who executes bonds on behalf of sureties to attach a certified, current copy of his Power of Attorney.

Cobb County School District reserves the right to award the project on whatever basis is in the interest of the Owner and to accept or reject any or all proposals and to waive technicalities and informalities.

Newnan, GA 30263

Inquiries: Tracy Dunnivant

Planning and Zoning Director

(678) 673-5481

tdunnivant@cityofnewnan.org

Proposals Due: Tuesday, December 23, 2014 by 10:00 a.m., EST

Bid Opening: Tuesday, December 23, 2014 at 10:00 a.m., EST

PURPOSE

The City of Newnan, Georgia is located 35 miles southwest of downtown Atlanta, on Interstate 85 South, and is the county seat of Coweta County, Georgia. The City of Newnan (the "City") is soliciting the professional services of a firm (the "Consultant"), with proven experience in Community Development Block Grant (CDBG) projects, to provide Preliminary/Final Engineering and Design Services in relation to a 2015 CDBG application for the Howard Warner Recreation/Community Center Project (the "Project").

The Howard Warner Building was constructed in 1935 and served as the former site of the City's African American High School. In an effort to provide recreation and community center activities in the Chalk Level Community, the City is looking to renovate the existing building and construct a new gym on the site. It is anticipated that the facility will house programs provided by both the YMCA and the Boys and Girls Club and also serve other community needs. Funding will be from SPLOST as well as the CDBG grant, if successful.

SCOPE OF WORK

Therefore, the City is soliciting proposals from qualified Consultants to perform the following services:

PRELIMINARY/FINAL ENGINEERING AND DESIGN SERVICES

The City will proceed with pre-selection of Preliminary/Final Engineering and Design Services for submittal of an application to the Georgia Department of Community Affairs for the 2015 Community Development Block Grant (CDBG) program. The application will require an engineering report. By selecting an engineer at the planning stage, the process

should be able to better serve the interests of the City.

Therefore, the City is soliciting proposals from qualified Consultants to perform the following services:

- Preparation of Preliminary Engineering Reports

If the grant is funded, include the following:

- Preparation of design and construction drawings;
- Specifications;
- Contractor Bid Evaluation;
- Construction Inspection; and
- All other engineering-related items as needed to successfully complete the CDBG project.

INSTRUCTIONS FOR SUBMITTING RFPs

Interested parties must submit one (1) original and five (5) copies of their proposal and all relevant documentation no later than 10:00 a.m. Tuesday, December 23, 2014. Proposals submitted after the 10:00 a.m. deadline will not be accepted; no exceptions. Submissions shall be placed in a sealed envelope marked "Preliminary/Final Engineering and Design Services for the Howard Warner Recreation/Community Center Project," and delivered to:
Cleatus Phillips, City Manager
City of Newnan
25 LaGrange Street
Newnan, Georgia 30263

The City shall not be responsible for proposals which are not properly addressed or directed to any other department. Proposers are cautioned that any documentation submitted with or in support of a proposal will become subject to public inspection under the Georgia Open Records Act. Labeling such information "Confidential" or "Proprietary" or in a similar manner will not protect this material from public inspection upon request. All proposals become the property of the City and shall not be returned to proposers.

Copies of the Request for Proposals may be picked up at 25 LaGrange Street or requested by email. They are also available on the City's website at www.ci.newnan.ga.us. Inquiries and appointments to view the facility should be directed to Tracy Dunnavant, Planning and Zoning Director, at (678) 673-5481 or by e-mail at tdunnavant@cityofnewnan.org.

Architectural Services

[Go to this bid.](#)

End Date: January 05, 2015

REQUEST FOR PROPOSALS FOR SPECIALIZED ARCHITECTURAL SERVICES

The Columbia County School System is soliciting a request for proposal (RFP) of services from qualified architects or architectural firms to assist with design of school-related construction projects and improvements such as concession stands, weight rooms, auxiliary gyms, and roofing projects.

The selected firm will perform, at a minimum, the following services:

- Consult with CCBOE project representative and contractors to create and fine-tune the architectural services scope of work and construction cost estimates.
- Provide preliminary, intermediate and final designs. All design submissions shall comply with requirements as established in the Georgia Department of Education, Columbia County Fire Marshal and the CCBOE project representative.
- If required by the CCBOE project representative, assist in presenting project plans at public meetings and responding to any public questions and/or concerns.
- Following written notice by CCBOE project representative and once the initial scope/design has been approved, provide full architectural services for site plan, scope development, budget preparation, design, bidding and construction administration services as required by the CCBOE contract for services agreement, and as modified by CCBOE project representative.
- Develop and prepare detailed project schedule that defines and establishes all consulting, architect/engineer, programming, design and construction activities and milestones.
- Prepare recommendations as to how projects should be built in order to meet funding and schedule requirements that also result in a logical bidding package(s) that will be responsive to market conditions, the scheduling/user needs of the CCBOE project representative, and comply with applicable laws and policies.
- Develop with the CCBOE project representative's Project Team, a facility plan to address all functional and operational requirements of the new facility and to insure successful completion of all Project cost and schedule requirements.
- Prepare for the CCBOE project representative's approval conceptual/schematic design drawings as required.
- Prepare for the CCBOE project representative's approval, based upon approved schematic documents, design development drawings and related documents.

- Prepare appropriate documents to describe the size and character of the project relative to architectural, structural, mechanical and electrical systems, security systems, and other elements, as appropriate.
- Based upon approved design development documents, submit for CCBOE project representative's approval construction documents with drawings and specifications relative to the requirements for the construction of the project.
- Prepare for CCBOE project representative approval, all necessary bidding information, specifications, forms, and conditions for construction engineering and competitive procurement bids.
- Prepare and submit for CCBOE project representative approval, a final cost estimate based on completed documents for budgeting purposes.
- Co-conduct the Contractor pre-bid conference to encourage competent, responsive, competitive bids and to clarify any questions that may arise about the project during the bidding process.
- Perform bid response evaluation.
- Assist CCBOE project representative in awarding of bids and prepare contracts for construction.
- Visit the site as often as mutually agreed upon to review the progress and quality of work in accordance with the contract documents.
- Assist in keeping the CCBOE project representative advised on the progress and quality of work.
- Determine the amounts owed to the Contractor as the work progresses and certify progress payments.
- Prepare change orders, change proposals and/or change directives and submit for the CCBOE project representative's approval and execution within timeframe acceptable to CCBOE project representative.
- Help coordinate services of other consultants that the CCBOE project representative may employ such as testing labs, inspection services, etc.
- Assist the CCBOE project representative in determining final completion and ensuring all required documents, guarantees, manuals, bonds, warranties, as-built drawings, etc., are inspected by the Architect and submitted to the CCBOE project representative and the Georgia Department of Education, Facilities Services Unit.

MEETING DATES

There will be a pre-proposal meeting of all interested architects and/or architectural firms on December 5, 2014 at 3:00 pm at 6000 Columbia Road, Grovetown, GA 30813. Contact: Pam Stewart may be reached by email at pstewart@ccboe.net or by phone at 706-541-2477.

A representative from One Source Engineering, Inc. will be in attendance. The purpose of the meeting is to discuss the building timeline and the specific criteria for this school and to answer questions.

After the pre-proposal meeting, there will be a time period of three weeks to submit the RFP to the School System.

Deadline for Proposals: Date: January 5, 2015 Time: 2:00 p.m. Proposals should be submitted to the Columbia County Board of Education Purchasing Agent, 4781 Hereford Farm Road, Evans, GA 30809.

South Cobb Miscellaneous Water Main Replacement Design

[Go to this bid.](#)

End Date: December 18, 2014

ADVERTISEMENT FOR REQUEST FOR PROPOSALS

FY16 NORTHWEST COBB MISCELLANEOUS WATER MAIN REPLACEMENT DESIGN PROGRAM NO. W2296

FY16 SOUTH COBB MISCELLANEOUS WATER MAIN REPLACEMENT DESIGN PROGRAM NO. W2297

FY16 NORTHEAST COBB MISCELLANEOUS WATER MAIN REPLACEMENT DESIGN PROGRAM NO. W2310

for

THE BOARD OF COMMISSIONERS OF COBB COUNTY, GEORGIA

Proposals for engineering services for design of the aforementioned projects will be received by the COBB COUNTY, a political subdivision of the State of Georgia, herein referred to as "Owner", at the offices of the Purchasing Department, 100 Cherokee Street, Suite 260, Marietta, Georgia 30090, until 12:00 Noon (local time) on December 18, 2014. The project name and project number must be shown on the outside of the bid envelope. No proposals will be accepted after the 12:00 Noon deadline.

Proposals will be opened at 2:00 PM (local time) on December 18, 2014, in the Cobb County Board of Commissioners Room, 2nd Floor, 100 Cherokee Street, Marietta, Georgia 30090.

The Cobb County Water System intends to select three engineering firms to prepare construction documents for the replacement of existing water mains in selected areas within the county. The projects will involve the replacement of old asbestos-cement and/or PVC water mains with new ductile iron pipe mains, including new valves, fire hydrants, and customer service connections. Northwest Cobb Miscellaneous consists of designing the water main distribution loop along Old Stilesboro Road, Cheatham Road, Dallas Acworth Hwy and North Shore Drive. Northwest Cobb Miscellaneous also consists of designing the water main replacement for the following areas: Due West Hills S/D and Gaydon Station S/D. South Cobb Miscellaneous consists of designing the water main replacements for the following areas: Pastel Drive, Brookwood Drive, County Place East S/D, Dixie Avenue Area, King Springs Road, and Lynndale Heights S/D. Northeast Cobb Miscellaneous consists of designing the water main replacements for the following areas: Pine Road Area, Karls Gate Ph. 2, Sanford Drive Area, Alberta Drive Area, Creek Hollow S/D, and Meadow Way S/D.

The Request for Proposal package is available via e-mail or at the offices of Cobb County Water System, Engineering & Records Division, 660 South Cobb Drive, Marietta, Georgia 30060-

3105. To request an electronic package contact Tim Steenhoek at tim.steenhoek@cobbcounty.org. To pick up a set of proposal documents or for information about the project contact Tim Steenhoek at (770) 419-6330.

Proposals will be accepted only from Firms who are listed on the RFP Holders List, signifying that they have received a set of documents from the Cobb County Water System.

Owner reserves the right to waive any informality or to reject any or all proposals, to evaluate proposals, and to accept any proposal which in its opinion may be for the best interest of Owner.

Owner has the right to add to and delete from the contract once it has been awarded. It is anticipated that a contract for the described services will be entered into with a firm that, in the opinion of Cobb County, offers the most favorable combination of qualifications, approach and pricing. Respondents may submit a proposal for one, two or all three projects; however, only one project will be awarded to an individual firm.

The successful engineering firms selected for these projects will be required to furnish satisfactory certificates of insurance for general liability, automobile liability, professional liability, and worker's compensation and employer's liability coverage.

E7J81 Design-Build Push-Button

[Go to this bid.](#)

End Date: December 26, 2014

DISTRICT 7

Procurement Number : E7J81

Project Description :

Project Description:

Task Work Order driven Districtwide Traffic Operations
Design-Build Push-Button Contract. The Task Work Orders
derived from this contract may contain Federal Highway
Administration approval as well as State mandates that
require State approval. The successful bidder will be
responsible for the implementation of projects from
concept to completion of construction. Typical projects
will consist of but not limited to: minor intersection
improvements, lighting upgrades, median revisions, traffic
signal installations, signing and pavement marking projects,
minor roadway design and construction, intelligent
transportation systems (ITS) upgrades, safety improvements,
minor structure projects and other miscellaneous traffic

operations and safety improvements.

Elements of work may include roadways, structures, intersections, interchanges, geotechnical activities, ITS, surveys, drainage, signing and pavement markings, signalization, lighting, utility coordination & relocation, maintenance of traffic, cost estimates, environmental permits, FAA and FCC permits, quantity computation books, specification packages and coordination, public involvement efforts, and all necessary incidental items for a complete project. No right-of-way acquisition will be required under this contract; therefore, all improvements must be completed within the Department's existing right-of-way. In case there is need to obtain a license agreement, easement or fee interest, it will be the Design-Build Firm's responsibility to coordinate in advance with the Department's Design Project Manager (or his/her delegate) to ensure the document(s) are secured and processed in a timely manner in order to avoid unnecessary delays or time extensions. Elements of work for these projects will require all necessary documentation for designing, permitting, and construction of the projects.

Special Notes:

In accordance with RESTRICTION ON CONSULTANTS' ELIGIBILITY TO COMPETE FOR DEPARTMENT CONTRACTS(TOPIC 375-030-006-B), the following Firms participated in the development of the conceptual plans or Request for Proposal for this Project and are restricted from participation on a Design-Build Firm without approval from the District 7 Secretary. The Firms identified below may not represent a comprehensive list. Firms not listed below who performed services or who are later retained to perform services on this Project are subject to restriction unless an exception is obtained from the Department.

HNTB C9424

Budget Amount*:

Individual projects may be assigned for a period of three (3) contract years from the date of the Notice to Proceed (NTP) of this Contract being issued or until a total maximum accumulated compensation of \$24,000,000 is reached. While funding cannot be encumbered until a Task Work Order is approved and authorized, the maximum limiting compensation of the contract will be increased annually for the duration of the contract, once each fiscal year, by the amount of the programmed funding for that fiscal year but not to exceed \$5,000,000 for federally funded task work orders. Individual Task Work Order assignments will not exceed \$1,000,000 and will not exceed one year in duration. This contract will be awarded for the amount of the Contractor's bid amount per the Master Pay Item List and associated unit prices.

*Actual commitment and final execution of this contract is contingent upon an approved legislative budget and availability of funds.

DISTRICT 5

Major Work :

6.3.1 - Intelligent Trans Sys. Analysis & Design

6.3.2 - Intelligent Trans Systems Implementation

6.3.3 - Intelligent Trans Traffic Eng. Communications

Contract : 15561 **Minor Project**

Selection Procedure: LOR, Technical Proposal & Interview

Financial Management Number(s):

43635112201

Project Description:

The project is to create an overarching ITS Master Plan for the region. Its purpose is not to identify projects, but rather to create a consensus on what items are to be integrated what standards needs to be met (security, maintenance, staffing, etc). An assessment of what is currently in place, what is planned and where there is delay. It should also cover high level goals we should be working towards and same types of investment that could work towards these goals. An investigation of how to take multiple data sets in order to create usable data and evaluate quality.
