2019 AIA Florida Convention & Trade Show

July 25-28, 2019 | Ritz-Carlton Orlando | Grande Lakes, Florida

AIA
Florida

PRESIDENT'S MESSAGE

I personally invite you to attend the 2019 AIA Florida Convention and Trade Show at the Ritz-Carlton Orlando, Grande Lakes, Florida. Our theme this year is **Pursue Your Passion**, so whether you're a seasoned architect, emerging professional or student, you will become reinvigorated both professionally and personally to go out and make a difference in the architectural world.

You will hear from engaging speakers who will discuss a variety of subjects to prepare us for coming trends in the profession. We will explore a vision of the future architect, gain insight on industry disruptors and present the business and social benefits of achieving equity in architecture.

Your creative juices will flow as we explore courtyard building typology, regenerative design, safe public spaces, energy efficient buildings and innovative housing solutions. Plus, be sure to catch the "Wicked Water Panel – Part II" that will cover practical applications related to last year's Wicked Water panel discussion on resilience for sustainability.

There's more! Hear from experts discussing marketing strategy from securing the clients you want, to engaging the next generation of architects. Students will want to attend the session on winning their first job after graduation, while firm principals can learn how to prepare for ownership transitions.

Attention families and guests - we have you covered! In addition to our traditional President's Reception, the ever-popular Drink and Draw Reception, several exciting tours, and the fun-yet-competitive golf tournament, we have some new events for 2019! For the kids, a special guest will provide a glimpse into the professional fields of science, technology, engineering, art and mathematics (STEAM), as well as fun activities through the hotel's "Ritz Kids" program. For kids at heart, explore the world of Sumi-e art at the 'Sumi-e and Sake' social hour.

Last but not least, the Convention would not be complete without the lively Trade Show or the AIA Florida/Caribbean Design & Honor Awards presentation, plus lots more!

Plan to attend this year's convention and leave energized and ready to **Pursue Your Passion!**

I look forward to seeing you at the AIA Florida Annual Convention and Trade Show, July 25-28, 2019!

Nati Soto, FAIA
