Happy New Year!

2019 is shaping up to be an exciting year full of new events and opportunities for our membership and valued Allied Members. We understand the value you place on having one on one time with designers and specifiers. In addition to attending our monthly programs and events, this year we have several unique sponsorship opportunities available only to our Allied Members.

## **Lecture Series**

As the sponsor of a lecture, you will have the opportunity to mingle and make connections with attendees for two hours. The average number of attendees is 50 members. Venue, event advertising with your logo, heavy appetizers and two drink tickets are included. Cost: \$1,500.00 per lecture. Three opportunities are remaining.

## **Monthly Program**

As the sponsor or co-sponsor of a program, you will have the opportunity to mingle and make connections with attendees for three hours. The average number of attendees is 50 members. Venue, event advertising with your logo, buffet dinner and two drink tickets are included. Cost: \$3,000.00 per program. This cost can be split by two Allied Members. Nine opportunities are remaining.

## **Special Events**

This year, we are re-introducing Architecture Week! This week-long celebration will include a guest lecture, gallery opening, trivia, 777 and culminate with the Design Awards Gala. We hope you'll attend the activities we have planned and come all dressed up to the Gala. Costs will vary based on activity.

Another new event we are planning is our Skeet, Meat and Eat event. This is shaping up to be a fun filled skeet shooting and bbq event for our members. We are still in the development stages with this, so stay tuned!

Let's not forget the scholarship AIA/ASLA Golf Tournament or Trade Show. The Golf Tournament is always a lot of fun. Start thinking about your foursome. This year, the Trade Show will permit Allied Members to provide one CEU during the day, followed by vendor booths, appetizers and drinks, raffles and door prizes in the evening. We are calling it a "Mini-Expo". It is planned to be a day-long event for you and our members.

As you can see, we have big plans for 2019, and we want you to be a part of it. We appreciate and value our Allied Members because without you, AIA Jacksonville would not be able to deliver the content or programs to our members and community. Please join or rejoin today.

Fondest regards,

Marjorie Weibe-Reed AIA, IIDA

AIA Jacksonville President

## AIA Jacksonville Allied Member Benefits

The AIA Jacksonville Allied Membership provides a great opportunity to stay connected in the architecture community in the Northeast Florida region. We have more than 280 registered architect members in our chapter. Consider supporting your local American Institute of Architects chapter and become part of an organization that actively supports & works to increase the value of the architectural profession, building trades and design community.

### Member Benefits Include:

- Opportunity to network with architects
- Receive weekly eblast from AIA Jacksonville with upcoming event information
- Listed on our weekly eblast emailed to 500 recipients & on our website
- Monthly programs of lectures, tours and socials
- Member only sponsorship opportunities
- *See sponsorship levels on the prior page for additional benefits!*
