

2020 Allied Membership Program

Our Mission: Through the promotion and advancement of the profession of architecture, AIA Jacksonville advocates for a healthy, desirable, and sustainable built environment in Jacksonville and throughout all of Northeast Florida.

AIA Jacksonville's Allied Membership Program is a cost-effective way to gain access to our membership and help develop the key relationships needed to strategically enhance your company's position as an industry leader.

AIA Jacksonville Allied Members enjoy many benefits at all levels:

- Increase your company exposure and brand visibility
- Showcase your products and services to a committed, creative community
- Promote your company events and news in the AIA Jacksonville weekly e-newsletter
- Acquire access to an exclusive audience of architects and design professionals
- Continuous opportunities to make connections and capture valuable contacts

Company Exposure

Prominent recognition for your support provides your company with exposure to AIA Jacksonville members and industry partners:

- Company logo at certain AIA Jacksonville meetings and events
- Company programs and events included in the weekly e-blast (\$75 per posting/per week value)
- Engraved name badge for use at meetings and events
- Company listing in annual Arbus add

Allied Membership

Allied members share the same AIA Jacksonville programs, services, and activities as AIA Architect and Associate AIA members. "Share" is the key word because, as an Allied member, you will learn from architects as much as they will learn from you. This allows you to establish relationships with architects that go beyond sales and specifications. Programs and activities include but are not limited to:

- Membership Meetings held several times a year
- Signature events such as the Design Awards Gala, Art by Architects, Emerging Design Professionals 777 Presentations, Women In Architecture Round Table, and Trivia, Golf Tournament, Trade Show, Skeet Shoot, and Building Tours
- Continuing education programs & lectures.

Become an AIA Jacksonville Partner Today!

AIA Jacksonville architects spend millions per year on products and services; are responsible for pre-bid, bid-phase and post-bid projects; and specify, recommend, and approve the purchase of products and services for their firms. Put your business in front of Jacksonville architects all year long – with one of our annual membership opportunities.

The AIA Jacksonville chapter boasts more than 300 members, consisting of a vibrant community of architecture and industry professionals that are transforming the profession. As a volunteer organization that serves as the voice of the local architecture profession, we rely on our members' time and energy to provide quality member services, but we also depend greatly on our sponsors.

With your support we can raise the level of design in Jacksonville and continue to create the world class city we are proud to call home.
