AIA Florida 2021 Convention

## PRESIDENT'S MESSAGE

After a year of unprecedented challenges, I am thrilled to be able to invite you to the 2021 AIA Florida Convention and Trade Show at the Hilton Bonnet Creek in Orlando. The theme this year is Transformation and the various ways design can transform – buildings, communities, social experiences.

Our profession is led by problem-solvers who engage in social transformation, working diligently to create unique viewpoints and formulate solutions to challenges. As such, we need to move forward from old paradigms in design and environmental policy to chart new courses for generations to come.

At the convention, you will hear from engaging speakers who will discuss a variety of subjects to prepare us for coming trends in architecture. We will explore a vision of the future architect, gain insight on industry disruptors, and present the business and social benefits of achieving equity in architecture. We'll also recognize excellence in architecture at the AIA Florida/Caribbean Design & Honor Awards and showcase innovations in practice and the trade show.

We also have families and guests covered. In addition to the traditional social receptions, trade show and the fun-yet-competitive golf tournament, the Hilton Bonnet Creek is now an official Walt Disney World® Hotel, offering a variety of Disney services, including direct transportation to theme parks and Disney Springs. Combined with the hotel's own three-acre lazy river, pool waterslide and 12 dining options, there is something for everyone.

Plan to attend this year's convention and leave energized and ready to transform the future of architecture. I look forward to seeing you all at the AIA Florida Annual Convention and Trade Show July 15-18!

# KEYNOTE SPEAKERS

## **BRIAN SHUL | COMBAT PILOT AND RETIRED MAJOR, UNITED STATES AIR FORCE**

Brian graduated East Carolina University in 1970 with a degree in history and anthropology. After 20 years as an Air Force fighter pilot, today he is an accomplished author, speaker and photographer. Brian flew 212 missions before his aircraft was shot down in Vietnam. Severely burned in the crash, he spent a year in hospitals and endured 15 reconstructive surgeries before surprising his doctors by returning to flying jets. He flew the A-7D and was in the very first A-10 squadron, becoming an airshow demonstration pilot. Brian also taught at the Air Force's TOPGUN School and culminated his Air Force career with selection to fly the world's premier spy plane, the SR-71, still the fastest plane ever built. Brian retired from the Air Force in 1990 and pursued writing. He has written several award-winning books about flying, illustrated with his own photography.

## **MARLON BLACKWELL, FAIA; MERYATI JOHARI BLACKWELL, AIA, ASID, LEED AP | MARLON BLACKWELL ARCHITECTS**

In recognition of his enduring contributions to architecture theory and practice, Marlon Blackwell, FAIA, is the recipient of the 2020 AIA Gold Medal. In addition, he was a 2019 Resident Fellow of the American Academy in Rome, inducted into the National Academy of Design in 2018, and selected as a United States Artists Ford Fellow in 2014. Marlon is a practicing architect in Fayetteville, Arkansas, and serves as the E. Fay Jones Distinguished Professor at the Fay Jones School of Architecture and Design at the University of Arkansas.

Meryati Johari Blackwell, AIA, ASID, LEED AP, brings more than 25 years of experience to her role at Marlon Blackwell Architects, where she serves as principal and director of interiors and sustainability. Her sensitivity as a designer and knowledge of materials and details enrich every project in the office. She works closely with Marlon and project teams to deliver thoughtful designs that are both sensual and sensible.

## **SANDY MENDLER, AIA, LEED | EDUCATION PRACTICE LEADER / GENSLER**

Sandy is a nationally recognized architect and planner dedicated to inspiring design that meets the urgent challenges of health, climate and equity. Sandy works to align each design process with the organization's mission and purpose, engaging in deep listening and creative group facilitation. As education practice area leader for Gensler in San Francisco, she focuses on the design of college and university facilities that build strong and vibrant communities, advance research and support student-centered experiential learning.

### EMERGING PROFESSIONALS

The AIA Florida Convention Planning Committee has built an agenda that is full of great sessions and events for emerging professionals to attend. EPs are encouraged to review the full agenda and identify the topics that best fit their needs. Best of all, associate AIA members and young professionals licensed 10 years or fewer enjoy a reduced registration rate. In addition to the must-attend sessions, EPs will want to attend as many networking functions as possible, including:

- President's Welcome Reception.
- Drink and Draw Reception/Fellows Mentoring.
- A Family Vacation: Trade Show.
- Sumi-e and Sake Social Hour.
- Young Architects Award & Portfolio Workshop.
- Design & Honor Awards Reception and Presentation.

### NEED HELP GETTING TO THE AIA FLORIDA CONVENTION?

Make it simple, affordable and attainable. Connect with folks on AIA Florida's Facebook group to coordinate a carpool or to share an Airbnb or hotel room. Don't miss this amazing experience to receive insight from speakers, gain Architectural Experience Program® (AXP™) hours and to network with mentors and peers.

### FLORIDA FOUNDATION FOR ARCHITECTURE ANNUAL RAFFLE GIVEAWAY

Despite having to cancel last year's raffle giveaway, the Florida Foundation for Architecture raffle

giveaway is back for 2021 and all proceeds will benefit the Architecture in Education program. The foundation would like to extend their appreciation to Crawford-Tracey Corp. for continuing to sponsor the prize during unprecedented times. The foundation's Architecture in Education program has paired architects with fourth- and fifth-grade students since its inception in 2015 to enrich the existing STEAM curriculum during classroom hours, with programs held in Tallahassee, Tampa, Sarasota, Melbourne, Boca Raton, Fernandina Beach, Fort Myers and Orlando. Due to COVID affecting the program in 2020, the Foundation's goal is to continue the Architecture in Education program virtually with your support. Be sure to purchase your raffle tickets before the drawing on Saturday, July 17.

### THE JACOB LEADERSHIP INSTITUTE

The Jacob Leadership Institute has developed a leadership program designed to train and cultivate the next generation of leaders. In its third year, the program began in January and will run for six months, ending with a graduation presentation at the 2021 convention. Plan to attend the JLI graduation ceremony on Friday, July 16 at 8:30 AM.

### CE CREDIT

This year's convention features more than 28 hours of continuing education credits from which to choose. All convention continuing education credits have been submitted to AIA CES for approval.

### 2021 ANNUAL CONVENTION COMMITTEE

This event would not be possible without the dedication of a very talented group of volunteer architects.

# CONTINUING EDUCATION

THURSDAY, JULY 15, 2021

## **A** Introduction to The Principles of Sustainable Design

**1 HSW**

**8:45 AM – 9:45 AM**

This course assesses the key principles of green building, including standards and considerations for regional factors. This course will also introduce the five components of green building that include energy, water, sustainable sites, materials and resources, and indoor environmental quality.

**Speaker:** Kobi Karp, AIA, principal at Kobi Karp Architecture Interior Design

## **B** Ready for Anything: Building Response in a Post-COVID World

**1 HSW**

**10 AM – 11 AM**

It's been said that "The only lasting truth is change." 2020 proved that we live in an uncertain world, but one thing of which we can be certain is that today's buildings may need to respond to very different circumstances tomorrow. This session will explore the contours of a Building Readiness Plan to help any building respond nimbly to unforeseen circumstances. We will also examine specific strategies to safeguard occupant health when re-occupying in "the new normal".

**Speaker:** Steve Samenski, PE, CxA, LEED AP BD+C, director of building performance, Spinnaker Group

## **C** Optional Lunch Session – Designing for Infectious Disease

**1 HSW**

**11:15 AM – 12:30 PM**

The COVID-19 pandemic has brought into stark view how indoor environments can affect the transmission of infectious diseases. This presentation will examine how improving ventilation can contribute to this effort. The presentation will provide attendees with details about fresh air circulation and increased filtration efficiency, as well as providing information about alternative technologies that are rapidly proliferating in this time of crisis. Examples of applications in commercial and institutional building types, including offices, retail, education and health care delivery will be provided.

**Speaker:** A. Brian Lomel, PE, LEED Fellow, WELL AP / principal / TLC Engineering Solutions

## **D** Kickoff Session: The Other Side of the Rainbow

**1.5 LU**

**12:45 PM - 2:30 PM**

A former pilot and retired major in the U.S. Air Force, Brian Shul uses his fighter pilot experience from being shot down in Vietnam and severely injured to ultimately flying the world's fastest jet as a vehicle to tell a broader story of perseverance and hope. This experience will be compared to the transformation of an architect, which is also a journey with many external factors shaping who we are and the decisions we make moving forward.

**Speaker:** Brian Shul

## **E** Status of the Profession

**1 LU**

**2:45 PM – 3:45 PM**

This panel discussion will cover important legal information all Florida architects need to know to ensure they follow the latest laws, rules and regulations related to their practice. Attendees will hear from leading experts who will discuss recent legislation that impacts the profession and what happens if the architect is in noncompliance.

**Speakers:** Steve Jernigan, FAIA, LEED AP B+C, senior vice president / Goodwyn Mills Cawood; George Levesque, PA / Gray Robinson; David Minacci, PA / Manausa, Shaw & Minacci, PA

## **F** Practice of the Future: Strategic Planning, Tactical Innovations and Calibrations

**1.5 LU**

**4 PM – 5:30 PM**

Using data analytics, this session will review the implications the pandemic has had on the workplace and evaluate the architect's practice of the future. The informed programming will outline the return to the new workplace and its transformation over the next decade.

**Speakers:** Kristina Crawley, AIA NCARB LEED AP; Daniel Yudchitz, AIA NCARB LEED AP; William I. Kline, AIA ACHA EDAC LEED AP, Leo A Daly

**FRIDAY, JULY 16, 2021**

## **JLI Graduation Ceremony**

**8:30 – 8:45 AM**

## **G Early Bird Session – Designing Visually Dynamic Facades with Coil and Extrusions Coatings**

**7:15 AM – 8:15 AM**

This course explores how the use of color and coil and extrusion coated metal building products can help bring your façade design to life.

**Speaker:** Royce Brown, Associate AIA, Sherwin-Williams

## **H Keynote: Design as Transformation** **1 HSW**

**8:45 AM – 9:45 AM**

This session will explore a cross section of transformational projects to show how aligning with our client's larger social purpose and engaging a broad and inclusive vision for the future can yield multiple benefits – environmental, economic and ethical.

**Speakers:** Sandy Mendler, AIA, LEED Fellow / Gensler

## **I Creating a Different Kind of Access - Actionable Solutions to Diverse and Inclusive Practices** **1.5 LU**

**10 AM – 11:30 AM**

“...What distinguishes one child from another is not ability, but access. Access to education, access to opportunity...” – Lauren Hill. This engaging discussion will feature researchers, educators and students who will examine educational access and the pivotal role architectural practices play in creating inclusive cultures and climates that foster the growth and development of a career in architecture.

**Speakers:** Karen Compton / principal / A3K Consulting, LLC; Kendall A. Nicholson, Ed.D, Assoc. AIA, NOMA, LEED GA / University of Virginia School of Architecture; Andrew Chin / Associate Dean / Florida A&M University School of Architecture + Engineering Technology (SA+ET); architect students

## **J Architecture's Ecological Footprint** **1 HSW**

**Time: 11:45 AM – 12:45 PM**

The urgent need to decarbonize the built environment raises questions about the ecological footprint of building materials. Attend this session to learn four methods of ecological footprint analysis for architecture, including fundamental characterizations as well as experimental methodologies. A variety of visualization techniques will be evaluated as ways to demonstrate architecture's holistic environmental impact.

**Speaker:** Blaine Brownell, FAIA, LEED AP, professor and director, School of Architecture, UNC-Charlotte

## **K Optional Lunch Session: Woodworks – Design Considerations for Durable Wood Structures** **1 HSW**

**1 PM – 2 PM**

With proper design, detailing and specification, wood structures can provide long and useful service lives while also offering a reduced environmental footprint. The key is careful planning and understanding of environmental loads and other external factors likely to impact a building over its lifetime. This presentation provides an overview of considerations related to durable wood design, including moisture management techniques, preservative treatment specification and details for controlling termites.

**Speaker:** Jeff Peters, P.E. / Southeast regional director / Woodworks

## **L Accessing Equity in Architecture** **1 HSW**

**Time: 2:15 PM – 3:15 PM**

Architecture is a service profession. The question is, “who are we serving?” This session is a continuation of the panel discussion on “Creating a Different Kind of Access” and will take a closer look at addressing the harm being done against indigenous people and people of color, and how to enact an architecture that is more socially relevant. By sharing hard facts, attendees will understand the potential benefits of equity and inclusion within their practice and gain tools and tips to combat inequities in the profession, the academy and the community.

**Speaker:** Kendall A. Nicholson, Ed.D, Assoc. AIA, NOMA, LEED GA / University of Virginia School of Architecture

## **M Transformational Leadership: Making a Difference in Your Organization** **1 LU**

**3:30 PM – 4:30 PM**

This session will provide leadership practice tools that can immediately be applied to any social or professional scenario. Hear from former FBI Agent and AIA Florida's JLI leadership trainer who provides various contemporary

# CONTINUING EDUCATION

examples of leadership scenarios that reveal the differences between the traditional carrot and stick style of leadership and the more modern and effective transformational leadership.

**Speaker:** Bret Hood, director / 21st Century Learning and Consulting, LLC & JLI Leadership trainer

**SATURDAY, JULY 17, 2021**

## **N** Early Bird Session: Virtual Concrete Products Plant Tour

**1 HSW**

**7:30 AM – 8:30 AM**

Join us on a virtual tour of one of Oldcastle's state-of-the-art block plants as we see why concrete masonry is one of the oldest materials known to man, and one with humble manufacturing origins. Go through the mixing stages to see what makes concrete masonry a sustainable, fire resistant, energy efficient product for your next design build project.

**Speaker:** Lisa Pelham, CSI CDT / commercials sales specification representative / Oldcastle Coastal

## **O** Keynote: Abstract Unions

**1 HSW**

**9 AM – 10:15 AM**

AIA Gold Medal winner Marlon Blackwell and his wife, Meryati, will discuss their architecture and design process that draws upon vernaculars, building typologies and the contradictions of place strategies that seek to transgress conventional boundaries for architecture. Rather than a removal from reality, abstraction is the process of connecting to place, looking for possibilities of maximum meaning with minimal means. Using examples of selected design works from their firm, they will speak to a resilient architecture that can be achieved as interplay between details, form and place.

**Speakers:** Marlon Blackwell, FAIA and Meryati Blackwell, AIA, ASID, LEED AP / Marlon Blackwell Architects

## **P** Legislators Panel - Resiliency in Florida

**1 HSW**

**10:15 AM – 11:15 AM**

This panel is comprised of legislators with direct interest and involvement in resilience initiatives and projects within the state of Florida. The discussion will focus on the latest challenges and what is being done to assist local communities in their resiliency initiatives.

**Speakers:** Florida legislators

## **Q** Immersive Design with VR & AR for Architecture

**1 HSW**

**11:30 AM – 12:30 PM**

Augmented and virtual reality are changing the way that architects create buildings. From design to fabrication, to construction and even facilities management, SHoP's Adam Chernick and Chris Morse are thinking up new ways to solve industry problems. They will speak about a few specific case studies and look at how they have integrated immersive technologies throughout the life cycle of SHoP's projects. Adam and Chris will show some of the custom applications built in-house by the Interactive Visualization team in order to outline the problems at hand. They will share advantages and opportunities they have found, as well as lessons learned along the way.

**Speakers:** Adam Chernick, director, Interactive Visualization; Christopher Morse / SHoP Architects

## **R** Young Architect Awards Submission Workshop: Brown Bag Lunch

**1 LU**

**12:40 PM – 1:40 PM**

Are you planning to submit for an upcoming award? This Pecha Kucha style session encourages young architects to present their design or honor award submissions to their peers and receive constructive commentary on the importance of layouts, content and more. Bring your lunch and positive ideas to interact with your fellow members about submitting for awards. Register early to be eligible to present during the workshop.

**Speakers:** Jeffrey Huber, AIA, Assoc. ASLA, NCARB, LEEDap/ Brooks & Scarpa and Rebecca Talbert, AIA, LEED BD+C, GGP, GPCP / senior architect / RLF Architecture Engineering Interiors

## **S** Optional Lunch Session: Masonry Game Show

**1.5 HSW**

**12:40 PM – 2:10 PM**

This session will summarize masonry technical resources available to the design community. Subjects will highlight best practices and sustainable masonry from the National Concrete Masonry Association (NCMA) Tek Notes, and the Brick Industry Association (BIA) Tek Notes. We will also review the 2019 AIA Excellence in Masonry Award winner.

**Speakers:** Chris Bettinger and Lisa Pelham / Masonry Association of Florida board members and Oldcastle representatives

## **T** Experiential Design: The Future of Architecture

**1 HSW**

**2:20 PM – 3:20 PM**

Take a deep dive on how augmented and virtual reality (AR/VR) are being leveraged by industry-leading architecture firms to transform their design process. We will explore case studies and share lessons learned from rolling out immersive design, presentations and collaboration from pilot to production. Learn how easy it is to get started and what is possible once you integrate an experiential design process. Experiential design ensures that the client's vision is realized while also providing designers another opportunity to collaborate with stakeholders across the entire design process. Virtual and augmented reality are no longer a future technology for architecture, this is happening now and changing expectations around how we work and collaborate.

**Speakers:** Gabe Paez, founder/CEO – Wild, Alex Coulombe / Agile Lens

## **U** BIM Execution Plan: How Do I Prepare One?

**1 LU**

**3:40 PM – 5:10 PM**

A BIM execution plan is necessary to facilitate the proper communication between all stakeholders in the creation of virtual models for the design, construction and operation of construction projects and buildings. A well-developed BIM execution plan will provide for a better method of cost control, better coordination of trade contractors, clear definitions of responsibility and a better delivery of building construction projects from planning through operations.

**Speaker:** Greg Burke, FAIA, NCARB / Gregory John Burke | Architect, PA

**SUNDAY, JULY 18, 2021**

## **W** Awards Panel Discussion

**1.5 LU**

**8:30 AM – 10 AM**

Recipients of 2021 AIA Florida/Caribbean Design & Honor Awards will discuss building systems, building design, and materials and methods used in the design process for their award-winning work. Architects will discuss structural systems, site design, sustainability features, interior design, furnishing and finishes. Historic preservation techniques used in multiple winning projects will also be discussed. Finally, the process for completing successful award entries will be outlined by these winners.

**Speakers:** 2021 AIA Florida Design Award winners

## **X** Demystifying Fellowship

**1 LU**

**9 AM – 10 AM**

Fellowship is the highest membership honor and is bestowed by one's peers in recognition of significant contributions to architecture. This course will inform AIA members about the annual opportunity for elevation to Fellowship in the AIA and how to apply. Attendees will understand the process involved, the value of the honor itself and the importance of the College of Fellows as a mentoring body and venue for professional interaction and fellowship.

**Speakers:** Gregory Burke, FAIA, NCARB | Gregory John Burke, Architect, PA, and Nati Soto, FAIA, LEED AP | Ferguson Glasgow Schuster Soto, Inc.

## **Y** Advanced FBC: Topic TBD

**10:15 AM – 12:15 PM**

This is an excellent opportunity to earn advanced continuing education credit required to renew your Florida architect license. Topic information will be provided soon.

# SPECIAL EVENTS

THURSDAY, JULY 15, 2021

## President's Welcome Reception 5:30 – 7 PM

The traditional kick-off social event of the Convention will be hosted by 2021 President Ignacio Reyes, AIA. Plan to join friends and colleagues at the reception as Ignacio welcomes all attendees.

**Fee: Complimentary**  
**Sponsored by:**

## Fellows' Dinner 7:30 - 10 PM

Fee: \$129  
\*Invitation Only

FRIDAY, JULY 16, 2021

## Euro-Wall Systems Golf Tournament 7:30 AM - 1 PM

Join fellow architects for great networking, friendly competition and most of all, a fun round of golf. This year's golf tournament will be played at The Waldorf Astoria Golf Club, named by Golf magazine as one of the Top Courses You Can Play. Sign up as an individual or with a team and take a shot at winning the \$10,000 hole-in-one grand prize.

**Fee per person: \$160**  
**Sponsored by:**

## A Family Vacation Trade Show 1 PM – 6:30 PM\*

Visit with national vendors displaying and demonstrating their products and services to architects during the 2021 annual trade show. Each year, the trade show provides an important networking venue made even better by complimentary food, drinks and prizes! Thank you to our sponsors and exhibitors who have made this trade show possible.

\*Extended trade show hours will be implemented, allowing the option to visit with exhibitors and attend other programs, providing a less crowded, socially distant networking environment.

**Fee: Complimentary**

## Back by Popular Demand! Sumi-e and Sake Social Hour 4:45 PM-6 PM

In this workshop on sumi-e Zen brush painting, you will learn why less is more. Sumi-e (a monochrome painting executed in ink) encompasses energy and spirit. In this art form, you should not be concerned with painting exactly what you see, but instead, use your feelings and your experience with the subject. You will learn basic brush strokes, Zen philosophy and timeless techniques all while tasting a diverse selection of sake. Fee includes fun, sake tasting, a brush, sumi-e ink, and you will leave with your own Zen masterpiece! Space is limited.

**Fee: \$50**

**Instructor/Host: Don Yoshino, FAIA**

## Drink and Draw Reception 6:30 PM–8:30 PM

This exciting event has gained interest and participation each year and continues to be a “draw” for emerging professionals and seasoned professionals alike. EPs and Fellows enjoy a drink and team up to compete for the best sketch that can be drawn on a coaster.

Drawing supplies will be provided and prizes will be awarded at the end of the evening for the best and most creative designs.

**Fee: Complimentary**

SATURDAY, JULY 17, 2021

## AIA Florida Past Presidents' Breakfast 8 AM – 8:45 AM

This year's immediate Past President Steve Panzarino, AIA, will host one of the AIA Florida Convention traditions of honoring past presidents with a special breakfast. If you are a past president of AIA Florida, we invite you to attend.

**Fee: Complimentary - AIA Florida Past Presidents**  
**Spouse/Guest \$40**

## AIA Florida/Caribbean Honor & Design Awards Reception and Presentation 6 PM– 9 PM

Celebrate excellence in architecture and the architects whose work enriches our communities at the 2021 AIA Florida/Caribbean Design & Honor Awards Reception and Presentation. Guests will enjoy hors d'oeuvres and drinks during the reception. The awards presentation will feature the 2021 Design & Honor Award winners and the announcement of the 2021 People's Choice winner. A champagne toast and dessert will follow the presentation.

**Fee: \$90**

# AIA FLORIDA CONVENTION TOURS

With several venues closed to the public due to the COVID 19 pandemic, AIA Florida has elected to postpone guided tours during the 2021 Annual Convention. If you're interested in taking a self-guided tour, here are some recommendations.

## CREATIVE VILLAGE

See the redeveloped area formerly known as the Orlando Centroplex that has been transformed into a mixed-use neighborhood featuring businesses, parks and open spaces, a variety of residential uses, and supportive retail.

## HISTORIC DOWNTOWN ORLANDO

Enjoy the architectural history of downtown Orlando. Encompassing architectural styles from 19th century Victorian through the present day, there are dozens of significant historical structures including the 1926 courthouse that now houses the Orange County Regional History Center.

## BALDWIN PARK NEIGHBORHOOD

Experience the beauty, cohesiveness and place-making value of a new urbanist development, within the existing fabric of the city of Orlando.

## LAKE NONA NEIGHBORHOOD

Feel the unique vibe in Lake Nona where a large-scale public art by local urban artist Jefre Manuel can be seen.

# IMPORTANT CONVENTION INFORMATION

## REGISTRATION

Each attendee (including spouses/guests) pays a registration fee. The registration fee includes: tickets to the President's Reception, Drink and Draw!, general sessions, the trade show, continuing education sessions, (architects are given priority on CE sessions), and daily continental breakfasts and beverage breaks.

### **Badges must be worn at all times during the Convention.**

Convention registrants must pre-register for CE sessions. If you have already registered for the convention, you must return to your registration and choose your sessions. All seminars are offered on first-come basis and will be considered a confirmed registration. Changes will be made on-site based on availability. Tickets are required for all social events, lunches, activities and tours, including children where applicable.

## CANCELLATION POLICY

Registration and/or event ticket cancellations must be submitted in writing and received by AIA Florida office by 5:00 p.m. Eastern, June 30 to receive a full refund. No refunds for registration or event tickets received after 5 PM Eastern on June 30 will be granted without a documented hardship. In which case, following a review, a refund may be granted less a \$75 processing fee.

Registrations may be transferred to another person. No verbal or phone requests for cancellations will

be taken. All requests must be in writing.

**For additional policies, visit AIA Florida's Website at [www.aiafla.org/Continuing-Education\\_Policies-.cfm](http://www.aiafla.org/Continuing-Education_Policies-.cfm)**

## CONSENT TO USE PHOTOGRAPHS

By attending an AIA Florida event, you grant permission to AIA Florida to use your name, image and/or voice in any of AIA Florida's electronic, print or multimedia publications and agree that you will make no monetary or other claim against AIA Florida relating to this use of your name, image and/or voice.

Minors will not be photographed, videoed or recorded, or their images or voices used by AIA Florida without the written consent of parents or legal guardians.

## About Hilton Orlando Bonnet Creek

AIA Florida is pleased to announce that the 2021 Annual Convention will be held at Hilton Orlando Bonnet Creek. Hilton Orlando Bonnet Creek is situated on 482-acre nature preserve. The nature preserve offers guests the opportunity to explore the forest, protected wetlands and see more than 100 migratory birds that call this stunningly

beautiful place home with minimal impact to the environment.

The Hilton Bonnet Creek is now an official Walt Disney World® Hotel, offering a variety of Disney services, including direct transportation to Walt Disney World® Theme Parks and Disney Springs®. Combined with the hotel's own three-acre lazy river pool, waterslide and 12 dining options, there is something for everyone!

## RESERVATIONS

Room Rate: \$169 single/double \$20 optional resort fee plus tax, per night
