# Why Partner with AIA Florida?

When you sponsor AIA Florida, you're not just investing in an event—you're aligning your brand with the most respected voice in architecture and design across the state.

Benefits include:

- Direct access to over 800 convention attendees and 4,000+ AIA Florida members
- Brand visibility before, during, and after the event
- Recognition across event signage, mobile app, and the convention program
- Networking opportunities with key decision-makers and influencers
- The ability to showcase products, services, and thought leadership

Whether you sponsor a single event or curate a custom package, your support strengthens Florida's design community and enhances your company's connection with the people shaping the future of our cities and spaces.

# Board Meetings & Dinner Sponsorships

# Board Meetings & Dinners

Sponsoring AIA Florida Board Meetings and Dinners is a meaningful way for companies to build strong relationships with key decision-makers in Florida's architecture community.

Board members represent firms from across the state and help guide the direction of AIA Florida. By sponsoring these gatherings, companies gain direct access to influential architects and firm leaders in a more personal, focused setting than larger conferences or trade shows.

Sponsorship provides:

- Targeted visibility with leadership-level architects
- Relationship-building opportunities in a relaxed, professional environment
- Brand alignment with a respected statewide professional organization
- Demonstrated support for the advancement of architecture in Florida

Board meetings and dinners offer quality time and meaningful conversations.

# Board Meeting Sponsor — \$2,000

There are three board meetings annually. One in January in conjunction with Legislative Day, one in April and the last one in October.
