

The Beck Group is seeking design candidates with 3+ years of experience in a professional setting who are critical thinkers and are able to efficiently function in a fast-paced process.

We are currently seeking a full-time designer for our Tampa, Florida office who share our passion for design, implementation and construction as well as someone who can further enhance our already strong collaborative culture.

Applicants shall show experience and interest in all aspects of the design and build process, from conceptualization to realization of ideas and intent as well as excitement for working in a collaborative team-first environment beyond the design studio and into the construction field.

KNOWLEDGE AND SKILLS:

Proficient with Sketch UP (Required)

Proficient with Adobe PS and ID (Required)

Revit (Not Required)

AutoCAD (Plus)

Proficient with Microsoft Office (Outlook, Word, Excel and Power Point).

Excellent oral and written communication skills.

Accurate attention to detail

ABOUT US:

The Beck Group is an internationally recognized design-build firm based in Dallas TX with satellite offices in Colorado, North Carolina, Georgia, Florida and Mexico City. Our portfolio of projects ranges in types and scales such as higher education, healthcare and retail. As leaders in our industry, we have found great success in our integrated approach due to our in-house resources and disciplines which include architecture, pre-construction, program management and construction.
