

Architect / Architectural Intern

Ebert Norman Brady Architects has an immediate opening for an experienced, full-time Architect or Architectural Intern to join our team. Located in Jacksonville Beach, Florida, Ebert Norman Brady Architects is a well-respected, multidisciplinary firm seeking to grow our capabilities and services. The successful candidate will participate in all phases of projects and will be experienced in AutoCAD with the necessary skills and knowledge to design and manage projects and produce construction drawings. The candidate must have a minimum of five years' experience in an architectural practice and must have a good understanding of building construction. This position offers opportunity for growth and advancement.

Qualifications:

- Self-motivated, able to take responsibility, possess a strong work ethic and have a positive attitude.
- Experience in the use of AutoCAD for production of construction documents.
- Able to effectively communicate verbally, graphically and in writing.
- Highly organized and detail oriented.
- Ability to manage multiple projects simultaneously.
- Functional knowledge of MS Office Products.
- Experience in Sketch-up, or other visualization software and Revit is preferred.
- Possess a minimum four-year accredited degree in Architecture from an accredited program.
- Personal vehicle and valid driver's license.

Ebert Norman Brady Architects is a small but growing, dynamic firm with a passion for design excellence, client service and high-quality sustainable projects.
