

Interior Designer

Ebert Norman Brady Architects has an immediate opening for an experienced Interior Designer to join our team. Located at the beach in sunny North Florida, Ebert Norman Brady Architects is a well-respected, multidisciplinary firm seeking to grow our interior design capabilities and services. The successful candidate will participate in all phases of projects and be responsible for selection of interior materials, finishes and color selections, space planning, construction document preparation and client meetings and presentations. The candidate must have a minimum of five years' experience in an architectural or interior design practice.

Qualifications:

- Self-motivated, able to take responsibility, possess a strong work ethic and have a positive attitude.
- Experience in the use of AutoCAD and Autodesk Revit for production of construction documents and 3D modeling in an architectural office.
- Knowledge of interior building codes and standards.
- Able to effectively communicate verbally, graphically and in writing.
- Highly organized and detail oriented.
- Ability to manage multiple projects simultaneously.
- Functional knowledge of MS Office Products.
- Experience in Sketch-up, or other visualization software is preferred.
- Experience in researching, documenting, sourcing and specifying interior finishes and colors, FF&E, materials, fabrics, hardware, appliances, signage, graphics and lighting.
- Experience in working with product representatives, vendors, clients and consultants in a positive, professional and productive manner.
- Experience in the preparation of presentations, material and finish color boards, color binders and booklets to convey the design intent.
- Experience in the review of shop drawings, submittals and work in place for conformance with the construction documents.
- Possess a four-year accredited degree in Interior Design from a CIDA-accredited or NAAB-accredited program.
- Personal vehicle and valid driver's license.
