Brought to You By the Florida Association of the American Institute of Architects

AIA Florida is proud to present the Third **Annual Emerging Professionals Conference** on October 26th and 27th in Sarasota at the Lido Beach Resort. Thanks to the generous sponsorships of AIA Florida and the AIA Florida / Caribbean Region, each Chapter is being offered a scholarship to subsidize the cost of sending an Associate Director or one Emerging Professional Leader to the **2007 Emerging Professional's Conference and EP Leadership Summit**. This scholarship (\$250) will subsidize the cost of the Conference Registration Fee along with one night at the Lido Beach Resort, allowing Emerging Professional Leadership from around the Florida Caribbean Region to meet in person, network, and share information and ideas about successful programs, fostering a dialogue about internship and licensure and creating a stronger network of future AIA Leaders.

For more information on the scholarship money available for your component, please contact **AIA Florida**, 850-222-7590, or your local component Executive Director / President.
