

AIA Florida

License Renewal Seminar - Day 3 Thursday, December 8 - Miami

8:00-9:00 am - Life Safety Plans: Graphics and Code (1 HSW)

Demonstrate the preparation of Life Safety Plans, showing compliance with the Codes, using the graphic symbols of The National Fire Protection Associations Standard for Fire Safety and Emergency Symbols, NFPA 170.

9:00-10:00 am - The Role of Wellness in Buildings (1 HSW)

Current methodologies and practices to design and operate buildings so that they will promote the wellness of the occupants.

10:15-11:15 am - Insurance Basics 101: Demystifying Your Insurance Program (1 HSW)

Design firms need insurance, but understanding how the pieces of the insurance puzzle fit together is often the last priority in your busy schedule. This course will use claim scenarios to illustrate how the different policies work to protect you.

11:15 am-12:15 pm (1 HSW) - Managing Risk Through Contract Language (1 HSW)

This course will address key contract provisions every design professional should be able to identify and explore ways to avoid uninsurable risks in your contracts. The course will also demonstrate how contract language can affect the outcome of a claim.

12:30-1:30 pm - Lunch Presentation – The Energy of Color (1 HSW)

In this 1 hour course you will learn the origins, elements and effects of color in everyday life. We will consider the relationship of color and light spectrum. Also, understand the potential energy savings from the spectrum of solar radiation. Lastly, we will identify the psychology and perception of color to humans.

1:45-2:45 pm - Upcoming Changes to the Windload Provisions (1 HSW)

3:00-5:00 pm - Advanced FBC: Significant Changes to the 5th Edition (2014) Florida Building Code, Building and Residential (2 HSW/FBC)

This course will highlight the Life Safety changes from the current FBC 2010 to the new FBC 5th Edition (2014). This will start with the method of how the Code is developed from the Base Code with discussion of the prior Florida Amendments that were removed and how some were re-adopted. The attendees will be shown the Florida Amendments that sunsetted along with the new Code inherited from the Base Code. The objective is to make them aware of the changes to the new Fifth Edition.
