AIA Florida Newsletter for emerging architects

vol 2009, issue november

Dear Michele,

Each month, AIA Florida's goal is to provide all of Florida's emerging and young architects with the most up-to-date news about what matters most.

Stand Up, Dust Off

An article, written by Jim Dolan, a Professional Coach and Psychotherapist, outlines the many emotions and feelings that young architects and interns might go through when facing layoffs. Dolan takes us through the scenario of "Axe Day" and gives some tips on how to pick yourself up and dust yourself off.

Scoring the ARE

If you have ever wondered how the ARE is scored, NCARB has released a list of questions and answers on the process. Find out why scores take so long to receive and where your test goes when you leave the exam site.

Florida's Licensee Facts

NCARB recently released the 2009 Architect Survey. Check out the latest statistics and see where Florida ranks in licensure! [CLICK HERE](#) to read more.

IDP Supervisor e-News

Also released by NCARB, the new Supervisor E-News letter. The IDP Supervisor e-News is a quarterly electronic newsletter.
