

Flad

Architectural Associate (Gainesville, FL)

Flad Architects is an award winning, multi-disciplinary architecture firm specializing in design driven solutions for science and technology, higher education, and healthcare. We are looking for an Architectural Associate to join our team in Gainesville, FL.

Responsibilities

- Responsible for preparing presentation drawings and models and developing designs and technical solutions throughout all phases of a project. Become involved in coordination for internal team members and consultants.
- Develop a project's program into alternative conceptual design proposals. Participate and contribute to design discussions, idea generation, and design work in drawing, model and 3D image formats.
- Work closely with team members and assist to complete projects on aggressive schedules by meeting deadlines within expected time and budget constraints.
- Generate revisions and corrections from outline mock-ups, redlined drawings and project document sets.
- Attend client meetings to observe the overall process and develop presentation skills.
- Participate in construction site visits to better understand the construction process.
- Recognize and document conflicts that arise during construction and offer alternatives to resolve these issues.

Qualifications

- Bachelor's or Master's degree in architecture required. Master's degree preferred.
- Minimum of one year recent and relevant architectural experience required. Experience in one of Flad's market segments preferred.
- Proficiency in Rhino or SketchUp, and 3D rendering software required. Beginner Revit knowledge required; have at least one year Revit experience in an academic or professional setting. Understands how Revit works, but may not have completed a project from start to finish. Has made edits to existing drawings, models, etc. Intermediate Revit knowledge preferred. Experience with AutoCAD, Grasshopper, Dynamo, Power Bi, and Adobe Creative Suite preferred.
- Portfolio that demonstrates a high level of skill in design thinking and presentation media required.
- LEED accreditation preferred.

Only candidates who submit work samples will be considered.
