Florida Building Commission
SB7000- Senate Community Affairs Committee

Summary Proposed SB7000 would require the Florida Building Commission (FBC) to use the most recent published edition of the Florida Building Code as the foundation code; requiring the commission to review, rather than update, the Florida Building Code every three years.

Senate Referrals: Appropriations Subcommittee on General Government;

Explanation and Justification AIA Florida supports the current unified building code and our members seek to work with legislators and other industry partners in addressing any existing hardships. AIA Florida also looks forward to working with bill sponsors to ensure that the Florida Building Code continues to protect the health, safety and welfare of Florida citizens.

Action Sought **AIA Florida asks to be an integral partner in finding solutions for the problematic portions within the Florida Building Code.**
