

Jeremy Davidson, LEED AP

AIA Associate & LEED Accredited Professional

1826 JUAREZ WAY S ST. PETERSBURG, FL 33712
TEL 727 403-4617

jdavidson118@mac.com

Objective

A full-time position in a progressive company leads my pursuit for current employment. This inherits a passion for innovative architectural solutions, combined with a professional focus for diverse design solutions. Establishing clear goals to develop practical and unique designs for clients challenges. My background is rooted in fundamental architectural disciplines combined with interpersonal skills to provide added leadership for a prospective employer and client relations. In parallel with my employment, completing my state licensing will be a primary goal.
