

## Project Architect, Workplace

Little, nationally recognized as a “Best Firm to Work For” and one of the nation’s most progressive design firms, is seeking a **Project Architect** with a positive, collaborative work style, who will work in our growing **Workplace Studio** in our **Orlando, FL** office.

The ideal candidate for this opportunity will be an ambitious, creative Project Architect who has experience working on a full spectrum of commercial Office projects – Corporate Headquarters, Regional, Speculative and or mixed-use commercial architecture. We are always looking to improve the performance of our clients through creative collaboration and superior documentation, someone with a passion for both would be an excellent fit.

### **A candidate we’ll love:**

- You have Workplace Project Experience: Corporate Headquarters, Regional, Speculative and or mixed-use commercial architecture
- You are a resourceful and creative problem solver.
- You’re enjoy working on teams – you want those around you to succeed and you’re capable of taking direction or leading a project to deliver a great product to our clients.
- You’re a strong listener, respectful in your interactions with others and have a positive outlook.
- You’re a good communicator –verbally, graphically and in written form, people understand your ideas and the way you share them.
- You are organized and thorough – you understand how to work with and coordinate consulting partners and many moving parts to deliver a solid, final product.
- You have a strong understanding of design, space planning, spatial relationships and materials.
- You have a passion for sustainability.
- You have professional drive and still have fun while you work.

### **A position you’ll love:**

- You’ll be working in our dedicated Workplace studio with other professionals focused on Workplace practice projects.
- You’ll have a high degree of autonomy and responsibility.
- Your work will include a variety of tasks and design projects.
- You’ll be responsible for producing contract documents and construction administration.
- Like all of us, you’ll be accountable for project success.
- You’ll have growth opportunities.

### **Ideal candidates will have the following Qualifications:**

- Bachelor’s degree or higher in Architecture from an accredited university;
- Six to Ten years of experience in the architecture & design industry;
- Architectural registration;
- Ability to execute projects from conceptual design to owner occupancy;
- Thorough knowledge of architectural design, detailing, codes, and building material characteristics;
- Strong Revit Skills.

Our culture is human-centered, collaborative and inclusive. We value people who are fun to work with and who strive to have a positive impact on those around them. We are committed to creating a better world through sustainable, resilient & regenerative design and we welcome people with similar experience and/or passions. We are proud to offer outstanding benefits, compensation, and growth opportunities. To learn more about Little, please visit us at [www.littleonline.com](http://www.littleonline.com).
