

On behalf of the AIA Palm Beach Foundation for Architecture, thank you for your interest in supporting our golf tournament and the important work it makes possible.

The mission of the AIA Palm Beach Foundation for Architecture is to promote the value of architecture to the community through programs, scholarships, sponsorships, and other activities in Palm Beach County, Florida. Through educational initiatives, public engagement, and strategic partnerships, we cultivate stewardship of the built environment and invest in the next generation of design leaders.

Proceeds from this tournament directly support scholarships for students from Palm Beach County pursuing degrees in architecture, helping to create opportunities for future professionals as they begin their educational and career journeys. To date, the Foundation has awarded **more than \$72,000** in scholarship support, and with your partnership, we hope to continue expanding that impact.

As a 501(c)(3) nonprofit organization, the Foundation also supports community outreach and educational efforts that highlight the importance of architecture and design in shaping stronger, more vibrant communities. Donations received help us provide a supportive learning environment for architectural students while advancing programs that connect the public to the value of the built environment.

We invite you to join us in this effort. Your sponsorship is not only an investment in a successful event, but also in students, education, and the future of architecture in Palm Beach County.

Thank you for your consideration and support.

The logo for the Palm Beach Foundation for Architecture is a red rectangle with the text "Palm Beach Foundation for Architecture" in white, bold, sans-serif font. The text is centered and flanked by two horizontal black lines, one above and one below.
