

Project Architect

Project Architect

Location: Atlanta

Posted: 08/31/2021

We believe great design is created in a collaborative environment where architects have the freedom and resources to grow and learn, where good client relationships are nurtured, and where people have fun working with each other.

Responsibilities:

A Project Architect at Niles Bolton Associates responsibilities may include but are not limited to:

- Development of project design, research and implement building codes, and produce construction documentation.
- Coordination with the project team (engineers et al.) to develop construction documents that accurately reflect the design intent.
- Attending meetings with the project team, consultants, and client to discuss and develop the design.
- Participation in construction administration by making site visits and addressing technical issues with guidance from the project team.
- Coordination with engineering, consultants, clients, contractors, and building officials to meet overall project objectives.

Experience Desired:

Professional degree, 5-8 years of experience in mixed use, hospitality, and/or multi-family is preferred, but not required.

- Professional degree
- Registered Architect
- Competent knowledge of building materials, specifications and construction techniques.
- Sufficient experience coordinating with engineering disciplines.
- Experience in dealing with governmental agencies and building/zoning codes.
- Revit and SketchUp proficiency.

Job Type: Full-time

Compensation & Benefits:

- Annual Base Salary: dependent on experience, certifications, portfolio, and references

- Yearly Bonus
- Benefits Package:
 - Medical, dental, vision, disability, 401K matching - vested after 2 years, competitive paid time off (PTO), flextime and continuing education benefits
- Internal growth opportunities

Why NBA: Our major markets include hospitality, multifamily residential, retail, corporate and higher education. We operate with a 'One Studio' mentality to share design inspiration, knowledge and skill sets benefiting all project types. Our goal is to grow our Interiors team with like-minded, eager individuals looking for an opportunity to elevate design within our energetic studio.

How to Apply:

Qualified and interested candidates should submit your resume and portfolio with a cover letter to: careers@nilesbolton.com with "Project Architect" in the subject line.

NBA offers a work environment that is dynamic with competitive salaries and an excellent benefits package because we believe employees are the core of business success.
