Safety Assessment Program (SAP) Training

AIA Florida will offer SAP (Safety Assessment Program) Training in three Florida cities.

July 30 – Pensacola

August 6 – Orlando

August 7 – Tampa

Fee includes:

- ATC Field Manual
- Cal OES registration ID card
- Breakfast, Lunch, Breaks
- 6.5 HSW CEU credits

Additional funding provided by the Masonry Association of Florida.

This course certifies attendees as Building Evaluators in the nationally recognized Safety Assessment Program (SAP). The program provides professional engineers, architects and certified building inspectors training to assist local governments in conducting rapid damage assessments of structures affected by natural disasters.

This course is limited to the first 35 registrants in each city, so sign up early to reserve your spot. Registration fee is \$99 for AIA members and \$110 for non-AIA members.

Upon successful completion of this course, participants will receive a nationally recognized Cal OES registration ID card from the state of California.

6.5 AIA HSW CEUs will be earned.
