

## Intern Architect

Little, nationally recognized as a “Best Firm to Work For” and one of the nation’s most progressive design firms, is seeking a **Intern Architect** with a passion for high quality design and a positive, collaborative work style, for our **Healthcare Studio** in our **Orlando office**

### Responsibilities include:

- Providing conceptual design and design support documentation as part of teams working on a variety of healthcare projects ranging from individual clinic upfits to large hospital campus master plans and planning studies;
- Supporting construction document teams; and learning about construction practices on project sites.

### Candidates should possess the following qualifications:

- Bachelor’s degree or higher in Architecture from an accredited university;
- Approximately 2-5 years of professional work experience;
- Solid design and production skills;
- Good communication and interpersonal skills;
- Extraordinary computer skills (Revit, rendering programs such as SketchUp, and programs used to prepare presentation documents such as PowerPoint, InDesign, Photoshop, etc.), as well as the ability to do hand sketching;
- Self-motivation and a desire to learn about all aspects of Architecture.

Our culture is energetic, collaborative and open. We value people who have a positive impact on those around them. We are proud to offer outstanding benefits, compensation, and growth opportunities. We are committed to creating a better world through sustainable, resilient & regenerative design and we welcome people with similar experience and/or passions.

To be considered for this opportunity, please submit your resume and portfolio for review to:
