

Architectural Designer / Production (Intermediate & Senior Levels)

West Palm Beach, Florida | Architecture & Interior Design

Who We Are

SpinaO'Rourke + Partners is a well-established **architectural and interior design firm** based in **West Palm Beach, Florida**, with over **40 years of experience** delivering thoughtful, high-quality design solutions nationwide.

Our firm is known for a **collaborative, design-driven, and results-oriented approach**, guiding clients seamlessly through the design and construction process. Our long-standing client relationships and diverse portfolio—spanning **hospitality, country clubs, hotels, restaurants, mixed-use, and commercial projects**—are a testament to our commitment to design excellence.

The Opportunity

We are seeking **talented, creative, and motivated Architectural Designers** at the **Intermediate and Senior levels** to join our growing team.

In this role, you will work closely with **Project Managers and Project Architects** to **define and develop design intent** during **Conceptual Design and Design Development** phases across a variety of project types. This position is ideal for a designer who can translate ideas into compelling visual concepts—**thinking ideas out of your head and onto paper**—in a way that clearly communicates the client's vision, programmatic needs, and brand identity.

Our continued success is rooted in **investing in exceptional people**, and we are looking for designers who want to grow, contribute, and help shape meaningful projects.

Minimum Qualifications

To be considered, candidates must meet the following requirements:

- **Bachelor's Degree in Architecture**
 - **5–7 years of professional experience**, including strong **hand-sketching** skills
 - Proven experience in **Conceptual Design, Design Development, and Floor Planning**
 - Ability to clearly and confidently **communicate design intent** in a personable, client-facing manner
-

Preferred Experience

Ideal candidates will also bring:

- High proficiency in **Autodesk Revit (required)**

- Experience with **space planning** for **commercial and mixed-use environments**
 - Ability to develop design concepts using both **traditional and digital media**
 - Working knowledge of **Adobe Creative Suite** (Photoshop, InDesign, Illustrator)
-

What We Value

We place high value on team members who demonstrate:

- A **positive, professional attitude**
 - A **coachable mindset** and desire for growth
 - A **strong work ethic** and sense of ownership
 - Exceptional **attention to detail**
 - Passion for architecture and design
 - A **solution-oriented approach** to challenges
-

Key Responsibilities

As a member of the SpinaO'Rourke team, you will:

- Collaborate effectively with internal teams, clients, consultants, contractors, and engineers
 - Clearly articulate design intent to clients and municipal agencies in both **private meetings and public presentations**
 - Contribute innovative ideas while maintaining project goals and budgets
 - Meet deadlines while upholding the firm's standards of **design excellence**
 - Proactively and tactfully resolve challenges with an appropriate sense of urgency
-

Why Join SpinaO'Rourke + Partners

- Diverse, high-profile project portfolio
- Collaborative studio environment
- Long-standing, respected firm with strong leadership
- Opportunity to grow professionally and creatively
- Meaningful involvement in design from concept through execution
