

PATRICK RYAN
O'CONNELL
ARCHITECT

Junior Architect

We are looking for an enthusiastic and motivated architect to join our team in Palm Beach, Florida. The ideal team member will have experience in high-end residential architecture, on-the-job training in drawing and moving projects through the architectural phases, working knowledge of Florida building codes, and familiarity with construction practices. We are looking for an energetic team member who wants to dive in and be an integral part of our growing team.

This position of Junior Architect offers an immediate opportunity to drive new projects from inception to completion with ample support and mentorship. In order to grow and flourish, candidates should willingly accept direction, redline corrections, design feedback, and suggestions with a positive mindset. If you are a recent graduate (0-5 years) and are ready to run projects on your own but have not been given a chance—we invite you to apply today!

If you thrive in fun and busy environment and would enjoy the benefits of working in a small firm that fosters leadership and professional growth, please apply!

Qualified Candidate Should Possess:

- Bachelor's or master's degree in architecture from an accredited school
- 0-5 years of architectural experience in construction documents preparation
- Working knowledge of building codes and construction practices
- High proficiency in AutoCAD; all other modeling 3D platforms are a bonus
- Photoshop and Adobe Create Suite Skills
- Ability to work independently, willing to learn from peers alike, and detail oriented
- Excellent communication skills and a keen interest in all phases of architectural services.
- **Must be currently able to work in the US.**

Reasons to Join our Team

- Competitive pay and bonus opportunities
- Generous paid time off and holidays
- Flexible schedules that encourage work/life balance and are sensitive to family and medical needs
- Espresso machine, snacks, beverages, and fun team lunches
- Growing office with endless opportunities
- The right candidate will join a collaborative firm with people passionate about working on unique projects and delivering incredible designs for our incredible clients.

For immediate consideration, qualified candidates should submit a cover letter, resume, and portfolio (including design work and construction document samples, in PDF format to Megan@Proarchitect.com and Patrick@Proarchitect.com.
