

## Architect – Jacksonville, FL

Halff is experiencing tremendous growth in our Florida region and has need of an Architect in Jacksonville, FL. In this position you'll be surrounded by creative architects, engineers and experienced professionals working on impactful projects geared towards creating sustainable buildings and communities. In this role, you can expect professional growth opportunities and a career path to success.

At Halff, you'll wake up every day knowing you're a valued part of a team who improves lives and communities by turning ideas into reality. Bring your experience to a nationally recognized #topworkplace that puts people first.

Knowing that our employees are our greatest asset, we seek to provide our employees with a full range of comprehensive benefits such as:

*medical, dental, prescription, 100% covered life insurance, long-term and short-term disability insurance, paid time off and holiday pay, Traditional and Roth 401(k) plans, Employee Stock Ownership Plan, Health Savings Account, 529 College Savings Plan, Flexible Spending, an Employee Assistance Plan, monthly Gym/Equipment contributions, education and licensure reimbursement, pet insurance and more. Salary is competitive and commensurate with experience.*

You will also find at Halff, numerous community involved activities through our HCI initiative and fun team building activities from our "fun committee", that bring our employees closer together.
