

PROJECT ARCHITECT, 8 - 15 YEARS EXPERIENCE

POSITION OVERVIEW

Ohlson Lavoie Corporation is expanding and has an opening for a Florida licensed Architect with a zest for Business Development and expertise in Construction Administration. This Architect will assist in the establishment of a new branch office in the Palm Beach, Florida area and will be on track for leadership and ownership. OLC currently holds contracts in excess of \$80 million in construction cost in the Palm Beach area in different stages of design and construction.

RESPONSIBILITIES

- Work with principal and senior architects to develop design ideas, considering client's needs, building's usage, and existing context.
- Produce detailed design and construction drawings
- Ensure that all work is carried out to specific standards, building codes, guidelines, and regulations
- Be OLC's representative in South Florida, conduct all in person Construction administration work, including conducting onsite visits to check on project status, attend OAC meetings, and report on project and liaise with construction professionals and engineering consultants.
- Lead the business development effort in South Florida and participate in local organizations to gain as much exposure for OLC as possible.

ABOUT US

OLC (Ohlson Lavoie Corporation) is an international architecture firm founded in 1961 with offices in Denver, Orlando, Tokyo, and Cairo. We serve clients globally, from North America to Asia to the Middle East. In addition to the firm's expertise with athletic, fitness and wellness facilities, we have broad experience in hospitality and other commercial building types.

BENEFITS

This is a full-time salaried, on-site position with paid benefits including health, dental and vision insurance, STD/LTD insurance, PTO and matching 401K.

ADVANCEMENT

This is a management track position. You will be mentored directly by firm leadership, you will be given every opportunity to succeed and when you do, you will have the ability to transition into much bigger role including ownership track.

SALARY

Salary is dependent on experience, plus generous performance bonus based on superior results

TECHNICAL REQUIREMENTS

- Autodesk Revit 2024 Architecture
- Blue Beam
- Microsoft office

HOW TO APPLY

Submit your resume, including a link to your portfolio, to Careers@olcdesigns.com.

WHO CAN APPLY

Ohlson Lavoie is proud to be an Equal Opportunity Employer. Ohlson Lavoie does not discriminate against any applicant for employment or becoming an employee based on race, color, religious creed, gender, age, marital status, sexual orientation, gender identity, national origin, disability, veteran status, or any other classification protected by applicable discrimination laws.
