Architecture in Education

Architecture in Education is a STE[A]M focused, Florida Standards educational program. This dynamic 6-8 week curriculum enrichment program pairs professional architects with classroom teachers. To date, nine schools have participated and 1,500 students reached.

People's Choice Award

The People's Choice Award is a competition in which the general public votes for their favorite Florida building. Each year, the award garners hundreds of thousands of votes from all around the world.

Open Door Event

The Florida Foundation for Architecture hosts a series of Open Door events to showcase the buildings included in the People's Choice competition. Since 2014, the Florida Foundation for Architecture has facilitated eight Open Door events throughout Florida including tours of art museums, public libraries, courthouses and transportation depots.

Raffle Sponsored by Crawford Tracey Corp.

Crawford Tracey Corporation has generously sponsored the raffle each year. Proceeds from the raffle benefit the Architecture in Education program.

Planned Giving

Coming soon! Are you interested in leaving a legacy? The Florida Foundation for Architecture will have the opportunity for AIA Florida members to invest in planned giving.
