RE: Architect/Intern Architect

About Us: Klar and Klar Architects and Interior Designers is an award winning, Clearwater based full-service architectural and interior design firm. KKA focuses on unique, artistic, and creative design solutions for both commercial and residential projects. Please see our website at www.klarklar.com.

We are currently seeking a Design Associate/Architect with 1+ years of relevant experience. Our ideal candidate would describe themselves as a creative problem solver who works well in a team-based studio environment.

Job Duties:

- Work closely with principal architect in managing the design process, construction documents, bidding, and construction administration.
- Interface with clients, consultants, vendors, contractors, and subcontractors.

Position Requirements:

- Team player who enjoys working in a fun, collaborative, and creative environment.
- Solid experience in AutoCad, Revit, Sketch-Up, Photoshop, Enscape.
- Self-starter, good communicator, curious mind, problem solver, proactive, creative.
- Able to solve technical problems and seek out solutions to design issues.
- Willingness to learn and positive attitude.
- 1+ years architecture experience. Bachelor or master degree from an accredited program.

Job Type: Full-time with benefits (generous vacation time, retirement plan, health insurance).

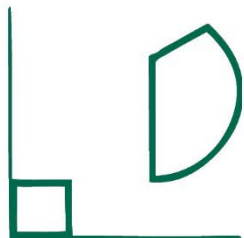

Please send resume and portfolio to info@klarklar.com
