At Marnell Architecture we have a passion for creating venues that stand apart, catch the eye and stir the imagination. We are seeking Project Architects that will complement our team and join us in our Las Vegas Studio to deliver a high level of design excellence.

Marnell Companies is a vertically integrated group of architecture, design, consulting, construction management, construction and turnkey real estate development professionals. From our headquarters in the Hospitality & Entertainment capital of the world, we have delivered projects to the most exclusive & exceptional developers, operators, hoteliers, entertainment leaders, and visionaries for over 50 years.

Responsibilities

- Integrate with a proven multi-disciplinary development team; working with 3D Artists, Interior Designers, and Construction Experts to create and execute the world's most significant and progressive projects in the hospitality and entertainment industry.
- Lead and develop projects through successful execution of the contract deliverables across all project phases.
- Effectively balance the project scope of work, design integrity and overall project expectations.
- Foster an environment of collaboration and teamwork to accomplish goals.

Qualifications

- Exceptional graphic, written and verbal communication skills.
- Excellent organizational skills, with strong attention to detail.
- Proficient in drawing, modeling, and other graphical software inclusive of Revit, FormIt, AutoCAD, and Adobe Creative Cloud Products.
- Thorough understanding and knowledge of building codes, zoning regulations, building construction, building systems and site requirements.
- Proficient with Microsoft Office Suite.
- Five or more years of verifiable work experience in a professional architectural setting in the hospitality and entertainment industry.

Education & Licensure

- Professional degree from an accredited Architectural program.
- Active Architectural license issued by a State Board of Architecture.

Benefits

Marnell Architecture offers competitive salaries and a robust benefit package including:

- Selectable medical, prescription, dental and vision coverage.
- Employer sponsored term life insurance and long term disability.
- 401(k) with matching benefits.
- Paid time off inclusive of holidays, vacation, sick leave and bereavement leave.
- Educational reimbursement.
- In-house training.
- Employee referral bonus program.
- Salary commensurate with level of experience.
