NCARB Launches Exam Accommodations for ESL Testers!

Candidates who are non-native English speakers can now apply for two ESL accommodations:

- ESL accommodation 1 - 20% of Original testing time for each divisions can be added as extension to original time

- ESL accommodation 2 - Printed word-to-word translation dictionary to assist

To apply, candidates can download the ESL testing accommodations application form from NCARB's website and submit the form to testingaccommodations@ncarb.org with the subject line "ESL Accommodation."

NEW PRACTICE EXAMS AVAILABLE

NCARB has created a free, full-length, fully scored practice exam for each division of the ARE, located on the "Exams" tab of your NCARB Record, under Practice Exam Dashboard.

You can take the practice exams in two modes:

- Test mode mimics the experience you'll have during a real exam appointment and provides a score report afterward.
- Practice mode provides the correct answer and rationale behind each item as you go and provides a score report afterward.

NCARB Launches New Exam Vendor, PSI

The National Council of Architectural Registration Boards (NCARB) has moved to a new vendor, PSI, to facilitate the delivery of the Architect Registration Examination® (ARE®) 5.0. Candidates can take both in-person and online proctored appointments with PSI.

Additional benefits of the new vendor for candidates include increased flexibility in scheduling and rescheduling, free exam rescheduling, and the ability to cancel exams without forfeiting the entire appointment cost. PSI also offers an increase in test centers compared to the number available through NCARB's previous vendor, Prometric. NCARB has also launched updated score reports that provide candidates with more detailed feedback on failed divisions.

Here are a few things to keep in mind:

- You can start testing with PSI on June 14, 2022. June 14 is the first day exam appointments will be available, but you can migrate to PSI and begin scheduling appointments now.
- PSI Test Center in Tampa: 3220 USF Banyan Circle, Tampa, FL 33613
